FOR SALE.

AT Alexander Sharp's, on the Connell road, three and a half miles from the City of Woodstock, a quantity of Norway oats, for sale at $2.00 per bushel; $1.50 per half bushel; $1.00 per peck. Any persons wishing to improve their seed oats will find it to their advantage to get them from me, as I have put them down to less than one half what they can be bought for anywhere else. There is no humbug about the seed, for I imported it two springs ago from the State of Vermont. The seed cost me at the rate of $20 per bushel. It was recommended to yield 100 bushels from one bushel, sowing one bushel to the acre. Last spring Richard Hull sowed one peck of these oats on new land, about the 8th of June, and he raised from that quantity, 32½ bushels, thus proving that they will yield what they are recommended, if they have a fair chance.

Farm for Sale.

And possession given in a short time.

THAT valuable Farm, containing about 230 acres, situated about 3½ miles from the Town of Woodstock, on Connell Road, having half a mile front on the Main Road. It is well calculated for two farms, if the purchaser wishes it. It has a good house on it, with frost proof cellar whole size of house. The main body of the house is 24x30 feet; kitchen, 17x22 feet; shed, 17x30 feet, all finished, and there are three large barns on the farm, one 30x40 feet, one 30x44 feet, one 35x45 feet. All these buildings are nearly new. A good well of water, large brook running the whole length of front, besides some springs on the farm. It is well wooded, has about one hundred acres of cleared land, and several veins of iron ore.—For terms, &c., apply to the undersigned on the premises.

Triumphant Success!

DR. WILSON'S
Family Antibilious Pills!

THERE can be no higher test of any medicinal remedy than its constant success and its consequent celebrity. No inferior medicine can bear the criterion, nor maintain this distinction. Tried by this just and unerring rule, Dr. Wilson's Pills have had no superior in the history of medical science.

These Pills are indebted for their superiority to their manifest and sensible action in purifying the springs and channels of life, and enduing them with renewed tone and vigor; and to the undoubted fact that at a very early period in their history, they had rescued sufferers from the very verge of an untimely grave, permanently securing to them that uniform enjoyment of health, without which life itself is but a partial blessing. So greatly, indeed, had their efficacy invariably proved, that it was scarcely less than miraculous to those who were unacquainted with the beautifully scientific principles upon which they are compounded, and upon which they subsequently act.

Dr. Wilson's Pills are purely and solely vegetable, and contain neither Mercury, Antimony, or any other mineral, in any form whatever. They are entirely composed of extracts from rare and wonderful plants, the virtues of which are well known to eminent chemists, but are altogether unknown to the ignorant pretenders to medical science.

Their first operation is to loosen from the coats of the stomach and bowels, the various impurities and crudities constantly settling around them, and to remove the hardened faces which collect in the convolutions of the small intestines. In doing this, unlike other medicines, they do not reduce the system to debility, but produce a delightful sense of renovation and vigor, often before their direct operation has been completed. This is a peculiarity which they possess in an eminent degree, and hence it is that they are taken by the weakest and most exhausted patients with almost immediate benefit, when other medicines would aggravate the debility. Other medicines only partially cleanse the small intestines, and leave such collected masses behind as to produce costiveness, with all its train of evils, or sudden Diarrhœa, with its imminent dangers.

The second effect of Dr. Wilson's Pills is to cleanse the kidneys and bladder, and by this means the liver and lungs, the healthful action of which entirely depends upon the regularity of the urinary organs, the blood, which takes a red color from the agency of the liver and the lungs before it passes into the heart, being thus purified by them, and nourished by food coming from a clean stomach, courses freely through and renews every part of the system.

Heads of Families possess in these Pills a preventitive as well as a cure, always ready at hand, without loss of time or the expenses of medical attendance, in all the first stages of every ordinary complaint. To Females especially, they are invaluable as a means of establishing perfect regularity in natural functions, so important to purity of complexion and the bloom of health.

Invalids of all ages should keep them on hand as ready relievers and restorers, to which no Doctor's bills are attached.

A single trial will place these Pills beyond the reach of competition in the estimation of every patient.

Sold by all Druggists and Country Merchants throughout the Dominion.

Sarsaparillian RESOLVENT.

NEW PRINCIPLES OF CURE.

Of all Wasting, Scrofulous, and Eruptive Diseases of the Eyes, Nose, Mouth, Throat, Ears, Head, LUNGS, Kidneys, Bladder.

THE SKIN MADE PURE, CLEAR, SMOOTH, AND BEAUTIFUL.

DR. RADWAY'S SARSAPARILLIAN RESOLVENT Establishes a new principle of Cure of all Chronic diseases; and proves to the medical World that Consumption and other Scrofulous diseases are curable. This fact has been demonstrated in over

ONE HUNDRED CASES OF CONFIRMED CONSUMPTION

where one Lung in over seventy cases was destroyed and dred up, and in over

500 CASES OF SUSPECTED CONSUMPTION.

DR. RADWAY, three years since, published to the world his analysis of the Blood in the several stages of CONSUMPTION, showing in every stage, that where tubercles become deposited in the Lungs and other organs, as the Kidneys, Liver, Spleen, Bronchial Glands, Intestines establishing Consumption of these organs, the BLOOD is thin, weak, pale, watery, and is deficient of such constituents as fibrin Albumen, Phosphorus, and the rich red coloring discs of the Blood Corpuscles. In the absence of those constituents in the Blood, the Blood is exhausted of strength and nourishment, and wherever there is inflammation it deposits tubercles and decomposition, it has not the power to hold in solution its natural constituents, and Ulcers, Sores, Tumors, Cancers, and Virulent Humors are formed, the presence of which causes inflammation, gathering, and consequent suppuration.

This, reader, is the true cause of the formation of Tubercles and Consumption. Dr. RADWAY was the first to advance this theory of the cause of Consumption and its kindred diseases, and prepared the RADWAY'S RESOLVENT to supply the Blood with such constituents it was deficient of, in the conditions of system, and to give it the nourishment and strength to hold its natural constituents in solution. Dr. RADWAY'S theory was published in England, France, Germany, and America, and was acted upon by the scientific men of both hemispheres. From his text medical books have been published by medical writers claiming to have discovered the cause of Consumption, but have *failed* to produce the remedy to cure. Dr. RADWAY was the first to advance this theory, and the first and only discoverer of a remedy for *that will cure*. In RADWAY'S SARSAPARILLIAN RESOLVENT the public have a remedial agent that will cure Consumption and all diseases of the LUNGS, STOMACH, KIDNEYS, BLADDER, WOMB, THROAT, GLANDS, AND URINARY ORGANS.

In all Wasting Discharges, such as Involuntary Loss of Sperm, Emissions, Weakness of the Genital Glands, Leucharrœa, and all Uterine difficulties, Gravel, Lime Stone, Brick dust, Uric Acid, and Calculus Concretions, the SARSAPARILLIAN RESOLVENT is a positive cure. In Dropsy, Diabetes, uncured Venereal, Syphilis in its many forms, it cures when all other medicines fail.

EVERY DAY

an increase of flesh, weight, and strength is experienced. It is Fat-tissue, Caloric or Heat making. It is to the blood what oxygen is to the atmospheric air. It supplies the life principle. It swiftly removes from the surface all Spots, Blemishes, Pustules, Tetters, Rash, Flesh Worms, Sores, &c., imparting a

CLEAR AND BEAUTIFUL COMPLEXION

to all.

CERTIFICATE OF BEAUTY.

The following letter is from a highly-gifted lady, well known in the "circles of our best society":

"LAFAYETTE, Feb. 23, 1869.

"I had not much confidence in your SARSAPARILLIAN RESOLVENT. Having been disfigured for the last four months with BLOTCHES and PIMPLES, I received, at all events, to try it, and took TWO TEASPOONFULS three times a day, as directed. It is not quite ONE MONTH since I commenced its use. To-day there is not a BLOTCH, spot, blemish, or defection of any kind on my person."
