RESOLVENT.

NEW PRINCIPLES OF CURE. Of all Wasting, Scrofulous, and Eruptive Diseases of the Eyes, Nose, Mouth, Throat, Ears, Head, LUNGS, Kid-neys, Bladder., THE SKIN MADE PURE, CLEAR, SMOOTH, AND BEAUTIFUL. DR. RADWAY'S SARSAPARILLIAN RESOLVENT

Establishes a new principle of Cure of all Chronic diseases; and proves to the medical world that Consumption and other Scrofulous diseases are curable. This fact has been demonstrated in over
ONE HUNDRED CASES OF CONFIRMED CONSUMPTION SUMPTION

where one Lung in over seventy cases was destroyed and dried up, and in over

500 CASES OF SUSPECTED CONSUMPTION.

DR. RADWAY, three years since, published to the world his analysis of the Blood in the several stages of CONSUMPTION, showing in every stage, that where tubercles become deposited in the Lungs and other organs, as in the Kidneys, Liver, Spleen, Bronchial Glands, Intestines, establishing Consumption of these organs, the BLOOD is thin, weak, pale, watery, and is deficient of such constituents as fibrin Albumen, Phosphorus, and the rich red coloring discs of the Blood Corpuscles. In the absence of these constituents in the Blood, the Blood is exhausted of strength and nourishment, and wherever there is inflammation it deposits tubercles and decomposition, it has not the power to hold in solution its natural constituents, and Ulcers, Sores, Tumors, Cancers, and Virulent Humors are formed, the presence of which causes inflammation, gathering, and consequent suppuration.

presence of which causes inflammation, gathering, and consequent suppuration.

This, reader, is the true cause of the formation of Tubercles and Consumption. Dr. Radway was the first to advance this theory of the cause of Consumption and its kindred diseases, and prepared the RADWAY'S RESOLVENT to supply the Blood with such constituents it was deficient of, in these conditions of system, and to give it the nourishment and strength to hold its natural constituents in solution. Dr. Radway's theory was published in England, France, Germany, and America, and was seized upon by the scientific men of both hemispheres. From his text medical books have been since published by medical writers claiming to have discovered the cause of Consumption, but have failed to produce the remedy to cure. Dr. Radway was the first to advance this theory, and the first and only discoverer of a medicine that will cure. In RADWAY'S SARSA-PARILLIAN RESOLVENT the public have a remedial agent that will cure Consumption and all diseases of the LUNGS, BRONCHIAL, KIDNEYS, BLADDER, WOMB, THROAT, GLANDS, AND URINARY CRGANS.

CRGANS.
In all Wasting Discharges, such as Involuntary Loss of Sperm, Emissions, Weakness of the Genital Glands, Leuchorrhea, and all Uterine dificulties, Gravel, Lime Stone, Brick dust, Uric Acid, and Calculous Concretions, the SARSAPARILLIAN RESOLVENT is a positive cure. In Dropsy, Diabetes, uncured Venereal, Syphilis in its many forms, it cures when all other medicines fail. EVERY DAY

an increase of flesh, weight, and strength is experienced. It is Fat-tissue, Caloric or Heat making. It is to the blood what oxygen is to the atmospheric air, it supplies the life principle. It swiftly removes from the surface all Spots, Blemishes, Pustules, Tetters, Rash, Flesh Worms, Sores, &c., imparting a CLEAR AND BEAUTIFUL COMPLEXION

CERTIFICATE OF BEAUTY.
The following letter is from a highly-gifted lady, well known in the "circles of our best society:" "I had not much confidence in your SARSAPARILLIAN RESOLVENT. Having been disfigured for the
last four months with BLOTCHES and PIMPLES, I resolved, at all events, to try it, and took TWO TEASPOONSFUL three times a day, as directed. It is not
quite ONE MONTH since I commenced its use. To-day
there is not a BLOTCH, spot, blemish, or defection of any
kind on my person.

From L. J. RACINE, Esq., of La Minerve, Montreal. "Having experienced the most gratifying results from the use of Dr. Wistar's Balsam of Wild Cherry, I am induced to express the great confidence which I have in its efficacy. For nine months I was most cruelly afflicted with a severe and obstinate cough, accompanied with acute pain in the side, which did not leave me, summer or winter. The symptoms increased alarmingly, and so reduced was I that I could walk but a few steps without resting to recover from the pain and fatigue which so slight an exertion occasioned. At this juncture I commenced taking the Balsam, from which I found immediate relief, and after having used four bottles I was completely restored to health. I have used the Balsam in my family, and administered it to my children, with the happiest results. I am sure that such Canadians as use the Balsam can but speak in its favor. It is a preparation which has only to be tried to be acknowledged as the remedy par excellence."

Messrs. Seth W. Fowle & Son.

Gentlemen:—Several months since a little daughter of mine, ten years of age, was taken with Whooping Cough in a very aggravated form, and nothing we could do for her seemed in any way to relieve her suffering. We at length decided to try a bottle of Dr. Wistar's Balsam of Wild Cherry. In three hours after she had commenced using it, she was greatly relieved, and in less than three days was entirely cured, and is now well. I have since recommended the Balsam to many of my neighbors, who have used it, and in no case have I known it fall of effecting a speedy cure.

You are at liberty to make any use of the above you think proper. If it shall induce anybody to use your Balsam I shall be glad, for I have great confidence in it.
