NEGRO PIETY.—"Uncle Johnson" was a poverty-stricken negro, who liveb to more than one hundred years, and was then bereaved of his wife. "Uncle, dont't you feel lonely since Ellen left you?" his minister inquired. "Yes, massa, I feels berry lonesome. But den de blessed Jesus comes round every day, and gives me a few drops of heaven just as a nus would wid a spoon; den oh! how I wants to get hold ob de whole dish! When I was so sick de oder day, I could see de dust of God's chariot comin' ober de mountains for me! Den he say to me, 'Wait, old Johnson! wait—hold on a leetle longer and I'll come round d'rectly.' Yes Lord, I will hold on, if de Lord please, for anoder hundred years! Oh! blessed Jesus, only keep de table standin' for me: I'se bound to be dere"

A lady from the country, who had lately become a resident of the city, was very much troubled at her son's long absence from home the other evening. A neighbor calling, suggested that he had gone to see the elephant.—"Ah!" said the mother, with a sigh of relief, "why didn't he tell me? I have no objections of his seeing the elephant, and didn't even know it was in town."

Said a loving wife to her husband, "Will you never learn, my dear, the difference between real and exchangeable value?" The husband, tired of political economists in petticoats, replied, "Ah, yes, my deer, I know your great learning and many virtues. That's your real value. But I know also that none of my married friends would change wives with me. That's your exchangeable value."

In 1867 Brignoli, while travelling on the Chicago and great Eastern Railrord, was much infured by the train being thrown off the track. His surgical attendance on account of the accident cost him $12,000, and besides this amount he incurred great loss by being unable to sing. He has just recovered $7,833.33 damages from the railway company.

## Iron in the Blood

IS

NATURE'S OWN VITALIZER.

Important to all Invalids.

PERUVIAN SYRUP. AN IRON TONIC. DYSPEPSIA DEBILITY BLOOD DISEASES HUMORS MAKES THE WEAK STRONG

*The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood, as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving nothing for disease to feed upon.*

*This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhœa, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.*

Certificate of A. A. HAYES, M. D., of Boston, Assayer to the State of Massachusetts.

"It is well known that the medicinal effects of Protoxide of Iron are destroyed even by very brief exposure to air, and that to maintain a solution of Protoxide of Iron without further oxidation has been deemed impossible. In the PERUVIAN SYRUP this desirable point is attained by combination in a way before unknown; and this solution may replace all the protoxide preparations of the Materia Medica. It is also eminently adapted to take the place of any Protoxide of Iron which physicians have used in Scurvy, or scorbutic attacks; and, to meet such cases, the Syrup should be found in the medicine-chest of every ship."

From W. R. CHISHOLM, M. D., of New Bedford, Mass.

"I have employed the PERUVIAN SYRUP successfully in cases of DYSPEPSIA, CHRONIC DIARRHŒA, NERVOUS DEBILITY, NEURALGIA, RHEUMATISMS, BOILS, and DISEASES ARISING FROM IMPURITIES OF THE BLOOD, CHILLS AND FEVER, LEUCORRHŒA, PROLAPSUS UTERI, and in FEMALE COMPLAINTS generally. As an alternative tonic the Syrup ought to be used by clergymen, editors, cashiers, clerks, lawyers, and others who use their brains more than their muscles; as well as operatives, printers, tailors, shoemakers, seamstresses, and all those whose occupation confines them in ill-ventilated and over-heated rooms, who are liable to suffer more or less from nervous debility."

From the venerable Archdeacon Scott, D. D.

DURHAM, C. E.

* * * "I am an incurable Dyspeptic of more than twenty-five years standing."

* * * "I have been so wonderfully benefited in the three short weeks during which I have used the Peruvian Syrup, that I can scarcely persuade myself of the reality.—People who have known me are astonished at the change."

"I am widely known, and can but recommend to others that which has done so much for me."

From a distinguished Jurist.

"I have tried the Peruvian Syrup, and it fully sustains your prediction. It has made a new man of me, infused into my system new vitality and energy; I am no longer incumbous and debilitated, as when you last saw me, but stronger, heartier, and with larger capacity for labor, mental and physical, than at any time during the last five years."

From the Rev. J. C. Mabry, Pastor of the Baptist Church, Jacksonville, Florida, Seneca, N. Y.

"I take great satisfaction in commending the PERUVIAN SYRUP to the notice of Dyspeptics, as being a reliable remedy for that distressing complaint, while as a general Tonic I think it has no equal.

*Thousands have been changed by the use of the remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to try it a single month.*

A pamphlet of 32 pages, containing certificates of cures and recommendations from some of the most eminent physicians, clergymen, and others, besides much other valuable and interesting matter, will be sent FREE to any one residing in the United States and Canada, on application by mail, postpaid, or by any druggist in your town.

See that each bottle has PERUVIAN SYRUP blown in the glass.

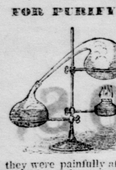
## Ayer's Sarsaparilla,

FOR PURIFYING THE BLOOD.



The reputation this excellent medicine enjoys is derived from its cures, many of which are truly marvellous. Inveterate cases of Scrofulous disease, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develop into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this *Sarsaparilla* is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of *SARSAPARILLA*: *St. Anthony's Fire, Tetter or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Lips*, and other eruptions or visible forms of *Scrofulous disease*. Also in the more concealed forms, as *Dyspepsia, Dropsy, Heart Disease, Pain in the Side, Neuralgia*, and the various *Uterine* affections of the muscular and nervous system.

*Syphilis or Venereal* and *Mercurial Diseases* are cured by it, though a longer use is required to subdue these obstinate maladies than any medicine. But long continued use of this medicine will cure the complaint. *Leucorrhœa or Whites, Uterine Ulcerations*, and *Female Diseases*, are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute Directions for each case are found in our Almanac, supplied gratis. *Consumption* and *Coughs*, when caused by accumulations of extraneous matter in the blood, yield quickly to its use. In *Liver Complaints, Erysipelas, Eruptions, Pimples, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Lips*, and other eruptions or visible forms of *Scrofulous disease*. Clarence H. Clark, Philadelphia, President.
Jay Cooke, Chairman Finance and Executive Committee.
Henry D. Cooke, Washington, } Vice Presidents
E. A. Rollins, Philadelphia, }
Emerson W. Peet, Phila., Secretary & Actuary.

That the National Life Insurance Company of the United States of America is the most popular company in this country is evinced by the fact that in the first twenty months of its existence it received about 12,000 APPLICATIONS and issued 10,000 POLICIES, a much larger number than was ever issued at the same period of its existence by any other life Insurance Company in the world.

That it is the most secure company is proven by its Capital of $1,000,000. That it is honestly, correctly, and scientifically managed is guaranteed by the character and skill of its owners and managers, who, in addition to their integrity and ability, are influenced by pecuniary interests. Its rates of premium are as low as is consistent with entire safety. Its plan is entirely free from any complications of notes, interest, &c., or uncertainties and disappointments of dividends, &c. Its contracts are definite, clear, and impossible to be misunderstood or misrepresented. Its policies contain all of the promises made by the company, and are exceedingly liberal. All the advantages and privileges which can be safely granted to the insured are given by this deservedly popular and strong company.

## CARLETON COUNTY GRAMMAR SCHOOL.

THIS School will re-open on the FIFTEENTH AUGUST, INSTANT, when Classes will be formed and graded in all the usual branches in the MALE and FEMALE DEPARTMENTS. The School occupies several Comfortable rooms in a pleasant locality. That parents and guardians may know something of the facilities afforded by this School, the Principal states that he is prepared to give instructions in the following branches:—

The ENGLISH LANGUAGE, the FRENCH, LATIN and GREEK LANGUAGES, HISTORY, Ancient and modern, GEOGRAPHY, Physical, Political, &c., use of the GLOBES, BOOKKEEPING, MATHEMATICS, including ARITHMETIC, ALGEBRA, GEOMETRY, TRIGONOMETRY, PLANE and SPHERICAL and ANALYTICAL, MENSURATION, LAND SURVEYING, NAVIGATION, CIVIL ENGINEERING, PHYSIOLOGY, NATURAL PHILOSOPHY, NATURAL HISTORY, GEOLOGY, CHEMISTRY, ASTRONOMY, &c., &c. Having a TELESCOPE, a CIRCUMFERENTOR, and other instruments, and having had a practical field knowledge of Surveying with first-class Engineers, Mr. McCOY will, as usual, be enabled to teach ASTRONOMY and LAND SURVEYING, Efficiently. The School is provided with CHEMICAL, and other Apparatus, to illustrate the lessons in CHEMISTRY and NATURAL PHILOSOPHY.

The Principal has well educated Assistants, both in the Male and Female Departments.—Pupils in the latter Department, although entirely separated from the other, have all the advantages of his tuition in any of the above branches, with the addition of Music, Drawing, and other branches usually taught in a Ladies Seminary.

This School, under its present Principal, has turned out very many Pupils who have occupied, and now occupy high places, not only in Carleton County, and other parts of New Brunswick, but abroad. With the above facilities, the Principal feels that the School is in a position to give a good sound Education, to prepare for matriculation such as desire to become Students in the University, and to fit young persons of both sexes to become Teachers, and to occupy other positions of usefulness and responsibility in any community in which they may live.

N. B.—Having a pleasant and healthy residence, the Principal is prepared to take a few more pupils as boarders.

The terms of this School are very reasonable, and may be learned on application to the Principal.

JAMES McCOY, Principal.
