" Eighty! well you're getting along fast." Now Calvin saw at once that he was far too near his line for eighty rods, and musing upon the circumstances, he decided there must be a mistake. Knowing John so well, he began to suspect, as he considered the subject further, that John might be trying to defraud Redman so dropping his seythe and crossing the line, he to cool and rest himself.

"I say, Redman, this is hot weather."

While so sitting he took occasion to measure the rod-pole which John had made, and to his delight he found it was just one foot too long. Now here was fun for Calvin. Here was chance to plague his enemy. Did be go and 1870. Summer Arrangement 1870. tell Redman? No, not be. He laughed quietfinish his work.
