Appropriation for the Parish of Brighton for 1870.

RIEL'S PROCLAMATION —ST. PAUL, Minn,
June 21.—Louis Riel issued a proclamation in Freuch, dated Fort Garry, May 14, in which he says he does not believe the present active measures of the Canadians are altogether in the interest of the Confederation or of England, but of their own selfish objects, and to acquire criminal moving the customary adjournment of the House.

An American has offered to purchase the residence of the late Mr. Dickens, at Gadshill, for twenty thousand pounds.

of their own selfish objects, and to acquire criminal superiority over the people of the North-West. The men of Upper Canada, whom we have avoided quarrelling with the past six months, have sought to divide us into factions; civil war has been proclaimed in our midst, and those who si ried it up usurped infamously the name of Her Majesty. These strangers we have been compelled to frequently imprison, but we have set to be a compelled to frequently imprison, but we 12 00 and because one of them was made an example of Canadians wish now to make war on the people of R-d River in spite of the declaration tation, slowness of intellect, a desire for strong

the rights of anytody in an English colony.— quired for the train of evils engendered by its use
They hope to associate their personal projects but when the diseases are serious and stubborn
with those of the Imperial policy in British North the best remedy is Fellows Compound Syrap of 25 00 British North American Provinces. The proclamation continues as follows:-

The principles which governed us on forming these truths and profit by them. the Provisional Government in O tober last, sold by Apothecaries. Price \$1.50 per bottle, or were published in Canada in November. They six for \$7.50.—James I. Fellows, Chemist, Manufacturer, St. John, N. B. 26 Provisional Government. The English flig which floats over our heads will render them this great testimony in our favor. Full of confidence in principles which form our strength, we preparation that medical skill can devise for the chose who have united to make war on us, or who yet insist on making it because of the line of conduct we have pursued in order to ruin us and finally raise themselves upon our ruin. They A gentlemen afflicted with the chronic rheu have always counted us in the rank of barbarians tate the solution of the great complications which How few there are who are not subject to have been caused by great political imprudence. liberty. A people whom progress and civilization, filled with ambition, eavy us on one site, and on the other, numerous savage nations, of whom we live in fear and apprehension. The people of Rad River serve as an intermediary between the two grand divisions; in effect we

are allied to both by blood and customs. The Province of Ontario. in arresting our delegates, which the Federal Government had in vited by three special Commissioners, has com mitted an act against which we protest in the name of the people of the North-west. We denounce this ignominious act to a civiliza I p-ople. We appeal to the law of nations, which Upper Canada has always ignored when it was concern ed-which the Federal Government has not had the honor to vindicate, but which we insist upon by every means possible to us.

Messrs. Kilburn, Shaw and Harding, whose remarks we did not hear, briefly restance of the instructions Mr Campbell has received from our Government.
