TO THE ELECTORS OF Victoria County.

GENTLEMEN,—Having been solicited by many of my old friends of the County, I am induced to offer myself as a Candidate for your suffrages at the approaching Election for representatives to serve in the General Assembly of this Province.

I am well known to many of you, having served you as a member of the County for many years. I consider it unnecessary to make any pledges; my past conduct as member for the County I trust will be accepted as a guarantee for the future.

On the last occasion that I presented myself it was urged, and very truly so, that I was a resident of Canada, and ought not to be elected by the people of this County. I feel the justness of these objections; but now the case is different, I have left Canada and intend making the County my future home, and as soon as suitable accomodations can be procured for my family, I shall move into the County.

It will be for you to decide whether you are to have my services or not; if chosen you may rely upon it that the future shall be fully up to the past.

My knowledge of the people and Government of Quebec which will enable me to be of service to you in promoting the passage of a Bill by the Local Legislature of the Province to secure aid to insure the building of the Railroad from Woodstock to Riviere Du Loup.

I have the honor to be, Gentlemen,
Your ob't humble servant,
JAMES TIBBITS.

The Great Remedy!

DR. WILSON'S

Pulmonary Cherry Balsam.

The best, Cheapest, and most efficient Remedy for Coughs, Colds, and all Lung Complaints the world has ever produced!

AN ASTONISHING CURE.

MR. J. W. BRAYLEY, Sir,—It is with great pleasure that I add my testimony to the efficacy of Dr. Wilson's Pulmonary Cherry Balsam. My daughter contracted a very severe cold about three weeks since and we applied all the usual remedies without any effect. She was evidently sinking fast, and commenced spitting blood. We began to feel very much alarmed and were induced by a friend to try Wilson's Balsam, and before she had used it but a very short time she was perfectly cured and is now enjoying good health.

R. P. WINTER,
Custom House, Fredericton.

From our daily arrival of letters we select the following: "I was troubled with Asthma for ten years; no physician could cure me. I tried everything without any good effect until I tried Dr. Wilson's Balsam. I only took three bottles, since which time I have had no return of my complaint, as some months have now elapsed."

MOSES SHARP.
York Co., N. B.

"My lungs have been very weak for a number of years.—I have spent two winters at the South for my health; I have taken but one bottle of Dr. Wilson's Pulmonary Cherry Balsam and find so much relief, that I am now using the second and already feel like a new man. Please send me three more, as the stores are all sold out here."

THOS. NORRIS,
Western Extension Railway.

"Last December I was attacked with a severe cough which compelled me to relinquish all labor, and my friends believed I really was consumptive. From hearing of a case similar to my own being cured by Dr. Wilson's Pulmonary Cherry Balsam, I was led to try it, and after using two bottles I am completely cured and have again resumed my labor."

WM. FRAZER,
York Co., N. B.

This household Remedy should be in the hands of every family and individual as a timely application of it to a slight cold or cough will cause immediate relief; while cases of long standing and apparently incurable often yield to its wonderful curative powers.

For sale everywhere throughout the Dominion.

Woodstock, June 8, 1870.—24

To the Independent Electors of the County of Victoria

GENTLEMEN,—The time having arrived when your duty to your Country calls upon you to select two discreet persons (provided they can be found) to Represent your interests in the Local Legislature of this Province, I beg most respectfully to inform you, that in compliance with a Requisition of a number of my friends, I have consented to offer myself as a Candidate for your suffrages in the approaching Election. I hope I will have the pleasure of meeting you at the Hustings. Then I will give you my motto, my sentiments and my principles. I shall name my views upon some subjects requiring the attention of the Legislature; if you approve of them give me one vote and the other to any one that has the interest of his Country at heart. A Free Common School system is what the Province demands; improvement for debt shall have my unqualified opposition; every facility that possibly can be given to assist the new settler in opening up new settlements and making roads and bridges should, in my estimation, receive the approbation and support of every well wisher of the Country. Temperance reform is agitating the public mind; nothing less than a sound and well guarded Prohibitory Law will satisfy me on that point. A bridge across the River St. John and the Railway to Riviere Du Loup, is only a question of time, and is simply one of the duties of our representatives to press the undertaking forward

I have now, in a brief manner, given you some of my views; if they meet your approval give me your votes. Respectfully Yours.
