they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed or its virtues or uses. Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develop into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this barsaparilla is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complete. appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of this EARSAPARILLA: St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Lars, and other eruptions or visible forms of Scrofulous disease. Also in the more concealed forms, as Duspepsia, Dropsy, Heart Disease, Fils, Frilepsy, Neuralgia, and the various Ulerraus affections of the muscular and nervous systems. lar and nervous systems.

Syphilis or Venercal and Mercurial Diseases are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued u e of this medicine will cure the complaint. Leucerrhaa or Whites, Uterine Ulcerations, and I conale Diseases, are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute Directions for each case are found in our Almanac, supplied gratis. Rheumatism and Gout, when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also Liver Complaints, Torvidity, Congestion or Inflam-mation of the Liver, and Jaundice, when arising, as they often do, from the rankling poisons in the blood. This SARSAPARILLA is a great restorer for the strength and vigor of the system. Those who are Languid and Listless, Despondent, Sleepless, and troubled with Nerrous Apprehensions or Fears, or any of the affections symptomatic of Weakness, will find immediate relief and convincing evidence of its restorative
