he say! Is he coming to tea?" " No, he can't come; he's only got time to attend the funeral, and he's real sorry ?" It turned out, on inquiry, that Johnny had presented himself to the usher of the Prince's apartments, was put off, but would not be rebuffed. He wanted to see the Prince and 'must,' for his uncle had sent him. His persistence finally gained him admittance; he was presented and humored, the interview was mutually ageeable, and the child had the longest and liveliest chat with Arthur of any person in Mas-

sachusetts. That boy will be sure to make his

way in the world .- Charlestown Advertiser.

THE CURIOUS NEEDLES -The King of Prus sia recently visited a needle manufactory in his kingdom in order to see what machinery, combined with the human hand, could produce. He was shown a number of superfine needles, thou sande of which together did not weigh half at ounce, and marveled how such minute articles could be pierced with an eye. But he was to see that in this respect even something still finer and more perfect could be created. The borer-that is the workman whose business it is to bore the eyes in those needles-asked for a hair from the monarch's head. It was readily given and with a smile, he placed it at once under the boring machine, made a hole in it with the greatest care, furnished it with thread, and then handed the singular needle to the astonished King. The Second curious needle is in possession of Queen Victoria 1 was made at the celebrated needle manufactory of Redditch, and represents the column Trojan in minature. This well known Roman column is adorned with numerous scenes in sculpture which immortalize Trojan's heroic actions in war On this diminutive needle, scenes of the life of Queen Victoria are represented in relief, but so finely cut and so small that it requires a magnifying glass to see them. The Victoria needle moreover, can be opened; it contains a number of needles of smaller size, which are equally

NEW PRINCIPLES OF CURE.

Of all Wasting, Scrofulous, and Eruptive Diseases of the Eyes, Nose, Mouth, Throat, Ears, Head, LUNGS, Kid-neys, Bladder. THE SKIN MADE PURE, CLEAR, SMOOTH, AND BEAUTIFUL. DR. RADWAY'S SARSAPARILLIAN RESOLVENT Establishes a new principle of Cure of all Chronic diseases; and proves to the medical world that Consumption and other Scrofulous diseases are curable. This fact has been demonstrated in over ONE HUNDRED CASES OF CONFIRMED CONSUMPTION where one Lung in over seventy cases was destroyed and where one Lung in over seventy cases was destroyed and dried up, and in over 500 CASES OF SUSPECTED CONSUMPTION.

DR. RADWAY, three years since, published to the world his analysis of the Blood in the several stages of CONSUMPTION, showing in every stage, that where tubercles become deposited in the Lungs and other organs, as in the Kidneys, Liver, Spleen, Bronchial Glands, Intestines, establishing Consumption of these organs, the BLOOD is thin, weak, pale, watery, and is deficient of such constituents as fibrin Albumen, Phosphorus, and the rich red coloring discs of the Blood Corpuscles. In the absence of these constituents in the Blood, the Blood is exhausted of strength and nourishment, and wherever there is inflammation it deposits tubercles and decomposition, it has not the power to hold in solution its natural constituents, and Ulcers, Sores, Tumors, Cancers, and Virulent Humors are formed, the presence of which causes inflammation, gathering, and consequent suppuration.

presence of which causes inflammation, gathering, and consequent suppuration.

This, reader, is the true cause of the formation of Tubercles and Consumption. Dr. Radway was the first to advance this theory of the cause of Consumption and its kindred diseases, and prepared the RADWAY'S RESOLVENT to supply the Blood with such constituents it was deficient of, in these conditions of system, and to give it the nourishment and strength to hold its natural constituents in solution. Dr. Radway's theory was published in England, France, Germany, and America, and was seized upon by the scientific men of both hemispheres. From his text medical books have been since published by medical writers claiming to have discovered the cause of Consumption, but have failed to produce the remedy to cure. Dr. Radway was the first to advance this theory, and the first and only discoverer to advance this theory, and the first and only discoverer of a medicine that will cure. In RADWAY'S SARSA-PARILLIAN RESOLVENT the public have a remedial

agent that will cure Consumption and all diseases of the LUNGS, BRONCHIAL, KIDNEYS, BLADDER, WOMB, THROAT, GLANDS, AND URINARY In all Wasting Discharges, such as Involuntary Loss of Sperm, Emissions, Weakness of the Genital Glands, Leuchorrhea, and all Uterine dificulties, Gravel, Lime Stone, Brick dust, Uric Acid, and Calculous Concretions, the SABSAPARILLIAN RESOLVENT is a positive cure. In Dropsy, Diabetes, uncured Venereal, Syphilis in its many forms, it cures when all other medicines fail.

an increase of flesh, weight, and strength is experienced. It is Fat-tissue, Caloric or Heat making. It is to the blood what oxygen is to the atmospheric air, it supplies the life principle.
