The Great Remedy!

DR. WILSON'S Pulmonary Cherry Balsam.

The best, Cheapest, and most efficient Remedy for Coughs, Colds, and all Lung Complaints the world has ever produced!

AN ASTONISHINC CURE.

MR. J. W. BRAYLEY, Sir,—It is with great pleasure that I add my testimony to the efficacy of Dr. Wilson's Pulmonary Cherry Balsam. My daughter contracted a very severe cold about three weeks since and we applied all the usual remedies without any effect. She was evidently sinking fast, and commenced spitting blood. We began [illegible] very much alarmed and were induced by a friend [illegible] Wilson's Balsam, and before she had used it [illegible] very short time she was perfectly cured and is now enjoying good health.

R. P. WINTER,
Custom House, Fredericton.

From our daily arrival of letters we select the following: "I was troubled with Asthma for [illegible]ten years; no physician could cure me. I tried everything without any good effect until I tried Dr. Wilson's Balsam. I only took three bottles, since which time I have had no return of my complaint, as some months have now elapsed."

MOSES SHARP.
York Co., N. B.

"My lungs have been very weak for a number of years.—I have spent two winters at the South for my health; I have taken but one bottle of Dr. Wilson's Pulmonary Cherry Balsam and find so much relief, that I am now using the second and already feel like a new man. Please send me three more, as the stores are all sold out here."

THOS. NORRIS,
Western Extension Railway.

"Last December I was attacked with a severe cough which compelled me to relinquish all labor, and my friends believed I really was consumptive. From hearing of a case similar to my own being cured by Dr. Wilson's Pulmonary Cherry Balsam, I was led to try it, and after using two bottles I am completely cured and have again resumed my labor."

WM. FRAZER,
York Co., N. B.

This household Remedy should be in the hands of every family and individual as a timely application of it to a slight cold or cough will cause immediate relief; while cases of long standing and apparently incurable often yield to its wonderful curative powers.

For sale everywhere throughout the Dominion.

FURS! FURS! FURS!

I WANT all the FURS caught in this part of the Country, and will pay the highest prices for the following skins:—

1000 Prime Mink, 300 Otter;
1000 Fox, 500 Lucifee, 500 Sable;
500 Coon, 500 MOOSE HIDES;
500 Fisher, 5000 Musk Rat;
500 BEAR SKINS,

In addition for Bear Skins I will pay $3 extra from former prices, to encourage parties to kill off the Bears, as our very wise Legislators, in their wisdom, have stopped the premium for Bears noses, just robbing the poor hunter of $3 on each bear he kills. I hope all the hunters will bear this in mind until the next General Election, when they will be in a position to cut a piece off the members noses that were so careful of the Furs of the Province, but at the same time are sure to have full pay for all their own valuable time and full mileage.

JAS. McCANN.

N. B.—Be sure and bring the noses on the Bear Skin and all the Feet if possible.

Approved July 25, 1868.

OFFICERS.

Clarence H. Clark, Philadelphia, President.
Jay Cooke, Chairman Finance and Executive Committee.
Henry D. Cooke, Washington, } Vice Presidents
E. A. Rollins, Philadelphia, }
Emerson W. Peet, Phila., Secretary & Actuary.

That the National Life Insurance Company of the United States of America is the most popular company in this country is evinced by the fact that in the first twenty months of its existence it received about 12,000 APPLICATIONS and issued 10,000 POLICIES, a much larger number than was ever issued at the same period of its existence by any other life Insurance Company in the world.

That it is the most secure company is proven by its **Capital of $1,000,000.** That it is honestly, correctly, and scientifically managed is guaranteed by the character and skill of its owners and managers, who, in addition to their integrity and ability, are influenced by pecuniary interests. Its rates of premium are as low as is consistent with entire safety. Its plan is entirely free from any complications of notes, interest, &c., or uncertainties and disappointments of dividends, &c. Its contracts are definite, clear, and impossible to be misunderstood or misrepresented. Its policies contain all of the promises made by the company, and are exceedingly liberal. All the advantages and privileges which can be safely granted to the insured are given by this deservedly popular and strong company.
