The Great Remedy DR. WILSON'S

Pulmonary Cherry Balsam. The best, Cheapest, and most efficient Remedy for Coughs, Colds, and all Lung Complaints

the world has ever produced! AN ASTONISHING CURE. AN ASTONISHINC CURE.

Mr. J. W. Brayley, Sir,—It is with great pleasure that I add my testimony to the efficacy of Dr. Wilson's Pulmonary Cherry Balsam. My daughter contracted a very severe cold about three weeks since and we applied all the usual remedies without any effect. She was evidently sinking fast, and commenced spitting blood. We began to feel very much alarmed and were induced by a friend to try Wilson's Balsam, and before she had used it but a very short time she was perfectly cured and is now enjoying good health.

R. P. WINTER,

Custom House, Fredericton.

From our daily arrival of letters we select the following: "I was troubled with Asthma for ten years; no physician could cure me. I tried everything without any good effect until I tried Dr. Wilson's Balsam. I only took three bottles, since which time I have had no return of my complaint, as some months have now clapsed." Moses Shanp.

"My lungs have been very weak for a number of years.—I have spent two winters at the South for my health; I have taken but one bottle of Dr. Wilson's Pulmonary Cherry Balsam and find so much relief, that I am now using the second and already feel like a new man. Please send me three more, as the stores are all sold out here."

Thos. Norris,

Western Extension Railway. "Last December I was attacked with a severe cough which compelled me to relinquish all labor, and my friends believed I really was consumptive. From hearing of a case similar to my own being cured by Dr. Wilson's Pulmonary Cherry Balsam, 1 was led to try it, and atter using two bottles I am completely cured and have again resumed my labor."

WM. FRAZER,

EJONESO DUS WM. FRAZER, This household Remedy should be in the hands every family and individual as a timely application of it to a slight cold or cough will cause immediate relief; while cases of long standing and apparently incurable often yield to its wonderful curative powers.

I hope all the hunters will bear this in mind until the next General Election, when they will be in a position

to cut a piece off the members noses that were so eareful of the Furs of the Province, but at the same time are sure to have full pay for all their own valuable time and full mileage. JAS. McCANN. N.
