That the National Life Insurance Company of the United States of America is the most popular company in this country is evinced by the fact that in the first twenty months of its existence it received about 12,000 APPLICATIONS and issued 10,000 POLICIES, a much larger number than

was ever issued at the same period of its existence by any other life Insurance Company in the That it is the most secure company is proven by its Capital of \$1,000,000. That it is heaestly, correctly, and scientifically managed is guaranteed by the character and skill of its owners and managers, who, in addition to their integrity and ability, are influenced by pecuniary interests. Its rates of premium are as low as is ensistent with entire safety. Its plan is entirely free from any complications gf notes, interest, &c., or uncertainties and disappointments of dividends, &c. Iron in the Blood

NATURE'S OWN VITALIZER

The Peruvian Syrup, a Protected Solution of the Protoxide of "Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood, as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving nothing for disease to feed upon.

This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhaa, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, and all discuses originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Con-

Certificate of A. A. HAYES, M. D., of Boston, Assayer to the State

"It is well known that the medicinal effects of Protoxide of Iron are lost by even a very brief exposure to air, and that to maintain a solution of Protoxide of Iron without further oxidation has been deemed impossible. In the PERUVIAN SYRUP this desirable point is attained by combination in A way before unknown; and this solution may replace all the proto-carbonates, citrates, and tartrates of the Materia Medica. It is also eminently adapted to take the place of any Protoxide of Iron which physicians have used in Scurvy, or scorbuic attacks; and, to meet such cases, the Syrup should be found in the medicine-chest of every ship."

From W. R. CHISHOLM, M. D., of New Bedford, Mass. "I have employed the PERUVIAN SYRUP successfully in cases of Dyspersia, Chronic Diarr-

HŒA, NERVOUS DEBILITY, NEURALGIA, ERYSIPELAS, BOILS, and DISEASES OF THE SKIN; also, CHLOROSIS, LEUCORRIEA, PROLAPSUS UTERI, and in FEMALE COMPLAINTS generally. As an alterative tonic the Syrup ought to be used by clergymen, editors, cashiers, clerks, lawyers, and others who use their brains more than their muscles; as well as operatives, printers, tailors, shoemakers, seamstresses, and all those whose occupation confines them in ill-ventilated and over-heated rooms, who are liable to suffer more or less from nervous debility."

From the venerable Archdeacon Scott, D. D. DUNHAM, C. E. * * * "I am an inveterate Dyspeptic of more than twenty-five years standing."

* * "I have been so wonderfully benefitted in the three short weeks during which I have used the Peruvian Syrup, that I can scarcely persuade myself of the reality.—People who have known me are astonished at the change."

"I am widely known, and can but recommend to others that which has done so much for me."

From a distinguished Jurist. "I have tried the Peruvian Syrup, and the result fully sustains your prediction. It has made a new man of me, infused into my system new vigor and energy; I am no longer tremulous and debilitated, as when you last saw me, but stronger, heatier, and with larger capacity for labor, mental and physical, than at any time during the last five years."

From the Rev. J. C. Ma'lory, Pastor of the Baptist Church in Sarona, N. Y.

"I take great satisfaction in commending the PERUVIAN SYRUP to the notice of Dyspeptics, as being a reliable remedy for that distressing complaint, while as a general Tonic I think it has no

Thousands have been changed by the verif this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial. A pamphlet of 32 pages, containing certificates of cures and recommendations from some of the most eminent physicians, clergymen, and others, besides much other valuable and interesting matter, will be sent FREE to any one sending to their name and See that each bottle has PERUVIAN SYRUP blown in the glass.

THE TRUE THEORY OF CURE.

RADWAY'S SARSAPARILLIAN RESOLVENT supplies the system, through the blood, wine, sweat, as d structure-making constituents with Tissue making, Flesh making, Heat or Caloric and Fat making elements. All of its constituents are nourishing, parifying, and strengthening. It Repairs, Hea's, Resolves, and drives out of the body the products of Decay and Corruption. CONSUMITION, WHITE SWELLING, DROPSY, SYPHILIS, CANCERS, TUMORS, &c., are all of a secofulous diathesis, and as such are wiren the curative errofulous diathesis, and as such, are within the curative 1. That Scrofula, by whatever name designated, is the result of deposits from the blood, induced or caused by Chronic inflamation. That those deposits take place when the blood is poor, weak, watery, and incapable of holding in solution its proper constituents, or from the presence of some virus or poison in the blood as Mercury, Calomel, Corrosive Sublimate, which is the Corrosive Chloride of Mercury or other agents, given in modicines and which enter largely in the common advertised Sarsaparillas, NOT ABSORBED OR CHANGED FROM THEIR NATURAL CONDITION.

upon a completed road, and bear eight per cent. interest in gold, payable on the 15th August and 15th February, in New York, London, or Frankfort, and are free from tax. These bonds are in denominations of 2. That unless the repairs or nutrimen's are grethan the wastes, that decomposition and decay was pervene, and the powers of life become exhans at. 3. That the dying body cannot be sustained on any treatment of medication that exhausts the system, or this to nourish the blood, the only medium through with the vital forces are preserved, and on which the growth of the body depends. t. That Radway's Sarsagar! Chemical science, which has been brought to such a perfect system of cure is exhibited as follows:

1. The great power in assimilating the food in its first stage of distillation in the process of digestion, as chyme and chyle with the nourishing elements of blood, and chyle with the nourishing elements of blood, are perfectly retained into blood. Here we see that by its wonderful power it charges the system with the very essence or principle that forms the vital powers of the body, and its elemental action on the blood in its primitive and complete condition, separates every atom of refuse material or e em n', out of which the virus of disease is formed.

2. That, the blood thus prepared, and supplied with these nourishing properties becomes strong, rich and healthy, and holds in solution its proper constituents, through the Sarsaparilliam Resolvent, and repairs the wastes of the body with sound and healthy structures. Such is the wonderful power the Sarsaparilliam Resolvent exerts on the blood and juices of the system, that no virulent humors or poisons will exist by which deposits are made.

3. The rapidity which the Sarsaparilliam enters the circulation, and communicates its curative powers through the Blood, Sweat, Urine, and other fluids, secures the constituent secretions of each respective organ, establishing functional harmony through the system; cures the constituent secretions of each respective organ, establishing functional harmony throughout the system; through its action and power over the Secretions, the Liver secretes its natural or proper allotment of bile; the Skin sweat; the Kidneys urea; and the Lungs carbon; so that this wonderful medicine not only establishes health in the sick body, but preserves the system in health. As we have shown the principle on which disease is formed, as well as the only sensible theory of cure, we claim that the range of cure of the Sarsaparillian Resolvent is unlimited, and that every disease that is of a Chronic, Scrofulous or Organic Diathesis, is, properly within its special range.

THE GREAT SECRET OF CURE in this Medicine consists in the selection of ingredients containing curative and nourishing properties that supply the blood and general system with such constituents which, in a condition of disease and depravity, it is deficient of, together with the combination of the several ingredients that form the SARSAPARILLIAN RESOLVENT. If the constituent of Oxygen was exhausted from the

tmospheric air, life would become extinct. So, when

the blood becomes exhausted of its vital constituents, it

deposits its tubercles and diseased humors in the body,

and the elements of decay and decomposition supervene. Radway's Sarsaparillian Resolvent is to the blood and general system what Oxygen is to the atmospheric air; it supplies the life principle, and enables the blood to hold in solution all its natural con-DAILY CHANGES

take place, for as the Sarsaparillian increases the strength and purity of the blood, all deposits are diminished, and where there are tubercles formed in the lungs, the further deposits are arrested, and those that are established or forming dislodged, expelled, exhausted, or the portion of the diseased lung cicatrized, and the consumptive, scrofulous subject receives good, if not sound, health. Mr. George Mortimer, a commercial traveller, in Canada West, writes us, under date of April 17, 1869, from Woodstock:

"The SARSAPARILLIAN RESOLVENT is in great demand, and working yonders. Mr. Hoag, of Straffordsville, merchant, told the of a case where a woman WASBLIND, but, by the use of the SARSAPARILLIAN RESOLVENT, can now see to read. She would give a certificate, but does not wish to be bothered with people writing. Hundreds call to see her. The cure is regarded as wonderful.

"Messrs. Whith & Scott, principal druggists here. "Messrs. Whith & Scott, principal druggists here, inform me of a person of note—high social standing—who for years was afflicted with DYSPEPSIA and GRAVEL,

who has been entirely cured by RADWAY'S SARSA-PARILLIAN RESOLVENT." Mr. Hoae reports another case of Chronic Sore Leg, that resisted all other advertised medicines, cured by a few bottles of SARSAPARILLIAN RESOLVENT. "Mr. JONATHAN FREELAND, of Widder Station, cured, by one bottle, of Bleeding from the Lungs, Night Sweats, Threatened Consumption.
"In every town I visit I hear of wonderful cures by
the SARSAPARILLIAN RESOLVENT. For every kind of Humor, Sore, Skin Eruption, and all weakening discharges, the people use it, and become cured; so with Fits, Scrofula, White Swelling, Sore Heads and Eyes, Nose and Month, all kinds of Sores, this wonderful remedy acts so powerfully on the blood that all who take t become strong, sound, and healthy.
