"Here, Alfred, is an apple. Divide it politely with your sister." " How shall I divide it politely, mamma? "Give the largest part to the other person,

Alfred handed the apple to his little sister, saying, "Here, sis, you divide it yourself."

Controversy. - All controversies that can never end had better, perhaps, never begin. The best way is to take words as they are most commonly spoken and meant-like coin as it most currently passes - without raising scruples upon the weight of the alloy, unless the cheat of the defect be gross and evident

"The fact is," said an elderly wife, "a man does not know how to straighten up things He does not know where to commence. I don't wonder." she remarked in conclusion, " that when Gol made Adam he went right to work and made a woman to tell him what to do.

Skin and Beautiful Complexion,

Sarsaparillian Resolvent TIAS MADE THE MOST ASTONISHING CURES. THE BODY UNDERGOES UNDER THE INFLUENCE OF THIS TRULY WONDERFUL MEDI-Every Day an Increase in Flesh and Weight is Seen and Felt.

Scrofula, Consumption, Syphilis, uncured and badly treated Venereal. in its many Throat, Mouth, Tumors, Nodes in the Glands, and other parts of the system, Sore Eyes, Strumous discharges from the Ears, Eraptive diseases of the Eyes, Nose, Mouth, and the worst forms of Skin dis-cases. Eraptions, Fever Sores, Scald Head, Ring Worm, Silt Rheum, Erysipelas, Acne, Black Spots, Worms in the Flesh, Tumors, Cancers in the Wood, and all weakening and painful discharges, Night Sweats, loss of Sperm and all wastes of the life principle, are within the curative range of Radway's Sarsaparillian lessolvent, and a few days use will prove to any person using it for either of these forms of disease, its potent power to cure them. Not only does the Sarsaparillian desolvent excel all known remedial agents, in the cure of Chronic Scrofulous Constitutional, Skin and Syphiloid discases but it is the only positive remely for Kidney. Bladder Urinary, and Womb diseases, Gravel. Diabetes Oropsy, Stoppage of Water, Incon-tinence of Uriae. Bright's disease. Album-inuria, and in all cases where there are Brice dust deposits, or the water is thick, cloudy, mixed with sub-tances like the white of an egg. or threads like white silk, or there is a morbid dark, bitious appearance, and white bone dust deposits, and where there is a pricking, burning sensation when passing water, and pain in the Smalt of the Back, and along the Loins. In all these conditions Raiway's sarsaparilhan desolven; aided by the application of Endway's Ready Rebef to the spine and Small of the Back, and the Bowrls regula-ted with one or two of Radway's Regulat-

ing Pills per day, will soon make a com-plete cure. In a few days, the patient will be enabled to hold and discharge his water naturally without pain, and the Urine will be restored to its natural clear, and amber or sherry color. THE WASTES OF THE BODY are supplied with new, healthy, and vigorous blood, that furnishes sound structure. Hence all suffering from Weakening Discharges, either MALE or FEMALE, of the Woinb, Uterus, or other organs, whether Leucor-rhaa, Sperm, or Ecupt ve discharges, of every kind, or from violence of "Self-abuse," from the Genital Glands, or Venercal discharges, or ulcers, or sores, through the reparative process of RADWAY'S SARSAPARIL-LIAN, are arrested, and the ruptured organs heated. THE TRUE THEORY OF CURE.
RADWAY'S SARSAPARILLIAN RESOLVENT supplies the system, through the blood, urine, sweat, and supplies the system, through the blood, while, sweat, and structure-making constituents with Tissue making, Flesh making, Heat or Caloric and Fat making elements. All of its constituents are nourishing, purifying, and grenythening. It Repairs. Heas, Resolves, and dripes out of the body the products of Decay and Corruption. CONSUMITION, WHITE SWELLING, DROPSY, CONSUMITION, WHITE SWELLING, CONSUMITION, CONSUMITION SYPHILIS, CANCERS, TUMORS, &c., are all of a scrofulous diathesis, and as such, are within the curative range of the SARSAPARILLIAN RESOLVENT! 1. That Scrofula, by whatever name designated, is the result of deposits from the blood, induced or caused by Chronic inflamation. That those deposits take place when the bood is poor, weak, watery, and incapable of holding in solution its proper constituents, or from the presence of some virus or poison in the blood as Mercury, Calomel, Corrosive Sublimate, which is the Corrosive Chloride of Mercury or other agents, given in medicines and which enter largely in the common advertised Sarsaparihas, NOT ABSORBED OR CHANGED FROM THEIR NATURAL CONDITION. 2. That unless the repairs or nutriments are greater than the wastes, that decomposition and decay will su-pervene, and the powers of life become exhausted.

3. That the dying body cannot be sustained on any treatm nt of medication that exhausts the system, or fails to noursh the blood, the only medium through which the ci'al forces are preserved, and on which the growth mediate payment to the undersigned.
