The Great Remedy!

DR. WILSON'S Pulmonary Cherry Balsam.

The best, Cheapest, and most efficient Remedy for Coughs. Colds, and all Lung Complaints the world has ever produced!

AN ASTONISHING CURE. MR. J. W. BRAYLEY, Sic,-It is with great pleasure that I add my testimony to the efficacy of Dr. Wilson's Polmonary Cherry Balsam. My daughter contracted a very severe cold about three weeks since and we applied all the usual remedies without any effect. Sh was evidently sinking fast, and commenced spitting blood. We began to feel very much alarmed and were induced by a triend to try Wilson's Balsam, and before she had used it but a very short time she was perfeetly cured and is now enjoying good health.
R. P. WINTES, Custom House, Fredericton

From our daily arrival of letters we select the fol lowing: "I was troubled with Asthma for ten years; no physician could cure me. I tried everything without any good effect until I tried Dr. Wilson's Balsam I only took three bottles, since which time I have had no return of my complaint, as some months have now Moses Shadp. York Co., N. B.

"My lungs have been very weak for a number of years.—I have spent two winters at the South for my health; I have taken but one bottle of Dr. Wilson's Pulmonary Cherry Balsam and find so much relief, that am now using the second and already feel like a new man. Please send me three more, as the stores are all THOS. NORRIS, sold out here." Western Extension Railway.

"Last December I was attacked with a severe cough which compelled me to relinquish all labor, and my triends believed I really was consumptive. From hearing of a case similar to my own being cured by Dr. EXCURSION TRAIN ing of a case similar to hiv own being the completely cured wilson's Pulmonary Cherry Balsam, I was led to try it, and after using two bottles I am completely cured and have again resumed my labor." WM. FRAZER,

NATURE'S OWN VITALIZER.

Iron in the Blood

The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood, as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and curch "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out

morbid secretions, and leaving nothing for disease to feed upon. This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhea, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system.

"It is well known that the medicinal effects of Protoxide of Iron are lost by even a very brief exposure to air, and that to maintain a solution of Protoxide of Iron without further oxidation has been deemed impossible. In the PERUVIAN SYRUP this desirable point is attained by COMEIN-ATION IN A WAY BEFORE UNKNOWN; and this solution may replace all the proto-carbonates, citrates, and tartrates of the Materia Medica. It is also eminently adapted to take the place of any Protox-
