Triumphant Success!

DR. WILSON'S

THERE can be no higher test of any medicinal remedy than its constant success and its consequent elebrity. No inferior medicine can bear the criterion, nor maintain this distinction. Tried by this just and nerring rule, Dr. Wilson's Pills have had no superior n the history of medical science These Pills are indebted for their superiority to their manifest and sensible action in purifying the springs and channels of life, and enduing them with renewed tone NOTICE is hereby given to the creditors of the and vigor; and to the undoubted fact that at a very early period in their history, they had rescued sufferers from discharge, duly executed, was on this 25th day of the very verge of an untimely grave, permanently secur-February, inst, deposited with the undersigned, in ac- ing to them that uniform enjoyment of health, without which life itself is but a partial blessing. So greatly, Dated at Woodstock, in the County of Carleton, the indeed, had their efficacy invariably proved, that it was scarcely less than miraculous to those who were unacquainted with the beautifully scientific principles upon which they are compounded, and upon which they sub-

Dr. Wilson's Pills are purely and solely vegetable, and contain neither Mercury, Antimony, or any other mineral, in any form whatever. They are entirely com-posed of extracts from rare and wonderful plants, the virtues of which are well known to eminent chemists, but are altogether unknown to the ignorant pretenders

Their first operation is to loosen foom the coats of the stomach and bowels, the various impurities and crudities constantly settling around them, and to remove the hardened faces which collect in the convolutions of the small intestines. In doing this, unlike other medicines, they do not reduce the system to debility, but produce THE undersigned beg to announce that they have this day entered into Co-Partnership, and will a delightful sense of renovation and vigor, often before their direct operation has been convoleted. This is their direct operation has been completed. This is a peculiarity which they possess in an eminent degree, and hence it is that they are taken by the weakest and most xhausted patients with almost immediate benefit, when ther medicines would aggravate the debility. Other medicines only partially cleanse the small intestines, and leave such collected masses behind as to produce cosveness, with all its train of evils, or sudden Diarrhoa.

with its imminent dangers.

The second effect of Dr. Wilson's Pills is to cleanse he kidneys and bladder, and by this means the liver and lungs, the healthful action of which entirely depends which takes a red color from the agency of the liver and the lungs before it passes into the heart, being thus purified by them, and nourished by food coming from a clean stomach, courses freely through and renews every

Heads of Families possess in these Pills a preventitive is well as a cure, always ready at hand, without loss of 2 time or the expenses of medical attendance, in ali the first stages of every ordinary complaint. To Females especially, they are invaluable as a means of establish ing perfect regularity in natural functions, so important purity of complexion and the bloom of health. Invalids of all ages should keep them on hand as ready relievers and restorers, to which no Doctor's bills are A single trial will place these Pills beyond the reach

of competition in the estimation of every patient.

Sold by all Druggists and Country Merchants

FOR SALE. A T Alexander Sharp's, on the Connell road, three and a half miles from the City of Woodstock, a quantity of Norway oats, for sale at \$2.00 per bushel; \$1.50 per half bushel; \$1.00 per peck. Any persons wishing to improve their seed oats will find it to their advantage to get them from me, as I have put them down to less than one half what they can be bought for anywhere else. There is no humbug about the seed, for I imported it two springs ago from the State of Vermont. The seed cost me at the rate of \$20 per bushel. It was recommended to yield 100 bushels from one bushel, sowing one bushel to the acre. Last spring Richard Hull sowed one peck of these oats on new land, about Hull sowed one peck of these oats on new land, about the 8th of June, and he raised from that quantity, 32½ bushels, thus proving that they will yield what they are recommended, if they have a fair chance.
