KINDNESS .- Said an old merchant one day, "I never did an act of kindness to any human being without finding myself the happier for it afterwards. A single friendly act, cheerfully, two roads in front of Mr. Grover's. pleasantly, and promptly done to a fellow-creature in trouble or difficity, besides the good to lim, has thrown a streak of sunshine into about 40 acres, situate about 18 miles from Woodmy heart for the remainder of the day, which I woodstock, Sep. 2, 1870.—36 would not have taken a five pound note for."

What charm is there in reading! The man of OF THE UNITED STATES OF AMERICA. letters, when compared with one that is illiter. Chartered by special Act of ate, exhibits nearly the same contrast as that which exists between a blind man and one that can see. If we consider how much literature Cash Capital, \$1,000.000 full paid prices, by enlarges the mind, and how much it multiplies, adjusts, rectifies, and arranges the ideas, it may well be reckoned equivalent to an additional sense, affords pleasure which wealth cannot procure, and which poverty itself cannot entirely take away.

Iron in the Blood

NATURE'S OWN VITALIZER.

Important to all Invalids.

MAKES THE WEAK STRONG

The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood, as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving

nothing for disease to feed upon. This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhæa, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system and building up an Iron Con-

Certificate of A. A. HAYES, M. D., of Boston, Assayer to the State of Massachusetts. "It is well known that the medicinal effects of

Protoxide of Iron are lost by even a very brief exposure to air, and that to maintain a solution of Protoxide of Iron without further oxidation has been deemed impossible. In the PERUVIAN SYRUP this desirable point is attained by COMBINATION IN A WAY REPORT INFORMATION IN A WAY REPORT IN A WAY REP ATION IN A WAY BEFORE UNKNOWN; and this soluartion in A way before unknown; and this solution may replace all the proto-carbonates, citrates, and tartrates of the Materia Medica. It is also eminently adapted to take the place of any Protoxide of Iron which physicians have used in Scurvy, or scorbutic attacks; and, to meet such eases, the Syrup should be found in the medicine-chest of every ship."

From W. R. CHISHOLM, M. D., of New Bedford, Mass. "I have employed the PERUVIAN SYRUP successfully in cases of Dyspepsia, Chronic Diarriea, Nervous Debility, Neuralgia, Erysipelas, Boils, and Diseases of the Skin; also, Chlorosis, Leucorrhea, Prolapsus Uteri, and in Female COMPLAINTS generally. As an alterative tonic the Syrup ought to be used by clergymen, editors, cashiers, clerks, lawyers, and others who use their brains more than their muscles; as well as operatives, printers, tailors, shoemakers, seamstresses, and all those whose occupation confines them in ill-ventilated and over-heated rooms, who are liable to suffer

more or less from nervous debility." From the venerable Archdeacon Scott, D. D. DUNHAM, C. E. * * * "I am an inveterate Dyspeptic of more than twenty-five years standing."

* * " I have been so wonderfully benefitted in the three short weeks during which I have used

the Peruvian Syrup, that I can scarcely persuade myself of the reality.—People who have known me are astonished at the change."

"I am widely known, and can but recommend to others that which has done so much for me," From a distinguished Jurist. "I have tried the Peruvian Syrup, and the result fully sustains your prediction. It has made a new man of me, infused into my system new vigor and energy; I am no longer tremulous and debilitated, as when you last saw me, but stronger, heartier, and with larger capacity for labor, mental and having the last five

physical, than at any time during the last five

From the Rev. J. C. Mallory, Pastor of the Baptist Church in Sarona, N. Y. "I take great satisfaction in commending the PERUVIAN SYRUP to the notice of Dyspeptics, as being a reliable remedy for that distressing com-plaint, while as a general Tonic I think it has no

Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial. Price only 50 cents per bottle.

N.B.—See that every bottle has an India Rubber Stopper. Sold at all Druggists, and at Dr. Radway's office, No. 87 Maiden Lane, New York. RESOLVENT.

Establishes a new principle of Cure of all Chronic dis-cases; and proves to the medical world that Consump-tion and other Scrofulous diseases are curable. This fact has been demonstrated in over ONE HUNDRED CASES OF CONFIRMED CONone hundred cases of confirmed consumption

where one Lung in over seventy cases was destroyed and dried up, and in over

500 CASES OF SUSPECTED CONSUMPTION.

DR. RADWAY, three years since, published to the world his analysis of the Blood in the several stages of CONSUMPTION, showing in every stage, that where tubercles become deposited in the Lungs and other organs, as in the Kidneys, Liver, Spleen, Bronchial Glands, Intestines, establishing Consumption of these organs, the BLOOD is thin, weak, pale, watery, and is deficient of such constituents as fibrin Albumen, Phosphorus, and the rich red coloring discs of the Blood Corpuscles. In the absence of these constituents in the Blood, the Blood is exhausted of strength and nourishment, and wherever there is inflammation it deposits tubercles and decomposition, it has not the power to hold in solution its natural constituents, and Ulcers, Sores, Tumors, Cancers, and Virulent Humors are formed, the presence of which causes inflammation, gathering, and consequent suppuration. presence of which causes inflammation, gathering, and consequent suppuration.

This, reader, is the true cause of the formation of Tubercles and Consumption. Dr. Radway was the first to advance this theory of the cause of Consumption and its kindred diseases, and prepared the RADWAY'S RESOLVENT to supply the Blood with such constituents it was deficient of, in these conditions of system, and to give it the nourishment and strength to hold its natural constituents in solution. Dr. Radway's theory was published in England, France, Germany, and America, and was seized upon by the scientific men of both hemispheres. From his text medical books have been since published by medical writers claiming to have discovered the cause of Consumption, but have failed to produce the remedy to cure. Dr. Radway was the first to advance this theory, and the first and only discoverer of a medicine that will cure. In RADWAY'S SARSA-PARILLIAN RESOLVENT the public have a remedial agent that will cure Consumption and all diseases of the LUNGS, BRONCHIAL, KIDNEYS, BLADDER, WOMB, THROAT, GLANDS, AND URINARY CRGANS.
