Editorial Correspondence

Ottawa, May 3, 1870. Yesterday the Premier introduced the bill for the Organization of the Province of " Manitoba." that being the name Government has decided settlement advances may form an hundred large Provinces Manitoba contains 11,000 square miles, or five times as much area as P. E. Island and nearly half as much as New Brunswick .-the Commons it will have four members. There will be a Local Government, consisting of a Governor, an Executive Council of seven, a Legishouseholder for one year. Manitoba has no debt, but want of room forbids. but will receive from the Dominion interest on a debt as of \$409.000, or \$27 27 per head on its population of 15,000. She will receive 80 cents of the French language. 1,200,000 acres of land are to be reserved for the settlement of purpose of extinguishing the Indian title and all claims upon the lands within the limits of the

of tarro. The said it was necessary of plainly, and that some Freech Roman Catholic Priests were at the bottom of the troubles in the North West, and this could be proven. He complained that while in the lines of the north West, and this could be proven. He complained that while in the lines of the north Carbon Catholic settlements, equal coursed in Town where this law had parent intention been taken to embrace Roman Catholic settlements, equal coursed in Town where this law had parent intention been taken to exclude the parent intention been taken to exclude the province great care had been intention been taken to exclude the parent intention been taken to exclude the populous settlement at Portage du Prairie, of the inhabitants of which the prisoners and the boat; he had been sick and lame; he had lead to the prisoners and the boat; he had been sick and lame; he had lead to the majority, any more than I could be in perfect accord with the old legislation of the Corporation tor the government of the country was getting tired.

In the present, I said, Mr. Speaker, that members of the country was the further increased when Western extension is commanded in the present. The particular of the country was getting tired.

It is done the Union Jack over Fort Garry. O'Done dath the road to the the prisoners of the country was the recal that at three was derived by the General wind the present, I said, Mr. Speaker, that members of the country was the further increased when Western extension is commanded in the present, I said, Mr. Speaker, that members of the Government at times yield up their individual views if they wished to work out this government, \$480,000.

It is done the Union Jack over Fort Garry. O'Done dath the union Jack over Fort Garry. O'Done dath the touch the through the road to the the presents of the Government, and the smallest case lated to the prisoners of the cost of the Donnihon Government and the present of the through the road to the basel of the road to the which so do not the through the smal

blood of the murdered man. He also referred to a letter written by Dr. Lynch, a gentleman of whom he spoke, from personal acquaintance, in the highest terms, in which the complicity of Richot and Scott, the delegates, with the outrages and the murder is shown, and in which that gentleman protests against those delegates, being received as representing the wishes of the local states, and it was urged that a liberal policy to hard surged that a liberal policy to wards that country was the most likely to secure the local stuffs, and the policy that had prevailed in New Brunswick adopted by the Dominion Parliament. At the time this was done, there was a strong hope that we might secure reciprocal trade with the United States, and it was urged that a liberal policy to wards that country was the most likely to secure the did not want or would not success. To this course very strong objections of harbors, in the House or out of it, I will continue to labor to make it a success. In bringing together several Provinces with some continue to labor to make it a success. In bringing together several Provinces with some deficiency, Milical was done, there was a strong hope that we might secure reciprocal trade with the United States, and it was urged that a liberal policy to wards that country was the most likely to secure several Provinces with some deficiency. Milical was done, there was a strong hope that we might secure reciprocal trade with the United States, and it was urged that a liberal policy to wards that country was the most likely to secure several Provinces with some deficiency. Milical was done, there was a strong hope that we might secure reciprocal trade with the United States, and it was then dated to make it a success. In bringing together several Provinces with some deficiency. Milical was done, there was a strong hope that we might secure reciprocal trade with the United States, and it was then taken off bread stuffs, and the policy to was then taken off bread stuffs, and the policy to was the native flo

be surely pronounced the best family medicine of 41,000 the age. Compounded with the strictest care it superior to any similar preparation yet offered and from the purest vegetable medicines, persons whose business is out of doors will find them formation, invaluable, as exposure to our changeable climate when taking them, is no more injurious than if 75,000 they remained in doors.

A sprain cannot always be prevented, as an accident will sometimes befall the most wary, but 12,000 a speedy and sure cure may be obtained, by the use of Dr. Dow's Sturgeon Oil Liniment. It immediately allays the inflammation and soothes Cassidy, Mr. John English, to Mrs. Jane L. Kinney, the irritated cords. It gives freedom of action No other Liniment possesses such rapid influence or such curative agency.

Clark's Derby Condition Powders remove all influence of the bride's father, by the Rev. W. Webb Percival, James Long. Esq., Kingsclear, Y. C., to Kate, oldest daughter of Delancy Tompkins, Esq., J. P. of East Florenceville, to the stiffened sinews and strained ligaments.

keep them soft and white. Fishermen, sailors, and others will do well to remember this.

Telegraphic News.

Well, what was really the state of the case? He had had a statement prepared which showed the sums contributed to and received from the Dominion in 1869. This statement showed:

PAID.

Customs,

\$899,517

Excise 90,073 public lands of the New Province with the exception public lands of the New Province with the exception of 12,000 acres to secure its debt.

New York, May 7.—A fire in Quincy, Ill., yesterday destroyed \$300,000 worth of property. General Jordon, of the Cuban army, arrived here yesterday. He says the insurgents will yet be successful. The Court trying the McFarlaud case has adjourned till Monday when the summing up of the lawyers will follow.

London; May 8.—Steamer Earl Elgine was sunk yesterday off stairs having collided with an unknown

yesterday off stairs having collided with an unknown vessel. The Captain and mate and their families were lost. Only seven on board escaped death. The Observer revives the rumor of the retirement of Mr. Bright from the ministry.

## TO THE ELECTORS OF CARLETON COUNTY

GENTLEMEN,-At the Election held in this County in 1868, on declaration day, at the instigation of my friends, I declared myself a Candidate for your suffrages the previous declaration, so that none may have it te say on this occasion, "Your Card was out too late."cution closes and it is hoped the case will reach the As no political question is at issue, I shall name my of this our common Country at heart, (I shall cheerfully and assidiously endeavor to assist any gentleman having this requisite.) I must be elected independently A free Common School System with as much aid

from Government, as the Public Chest will admit of. is what New Brunswick in the nineteenth century Little need be said as to the Public Domain until it is ascertained how much will be lett after the recen

grant for Railway purposes.
Imprisonment for debt belongs to the dark ages, is yesterday with a verdict of acquittal. The Jury was my unqualified opposition provided a healthy law is strongly tinotured with Barbarism, and shall have placed upon the statute book to protect the Creditor. Every facility that can possibly be afforded to assist the Pioneers of New Settlements either in public grants of money, of Free Grants of Land or in making Roads and Bridges, should in my estimation receive the approbation and support of every well wishes of the country.

Well regulated Agricultural Societies are in my opiaion an absolute necessity in an Agricultural County nee this; great blessings must necessarily accrue from proved modes of husbandry in all its details, so rapidly brought about where districts are banded together for this one grand purpose. Those should be under the especial care of the Government, and at all times Temperance reform is agitating the public mind, and many good Temperance men would be content to have

vere attack of biliary calculus or gall stone. He cannot appear again in the House this session. He is still untit to be removed to his house from his office, and will be unable to attend to public business for some weeks. Sir George E. Cartier announced that correspondence with the British Government on the Fishery question A bridge seross the river St. John, in this County

together with an extension of Railway to Riverie du Loup, is only a question of time, and being so under-
