Woodstock, Oct. 6, 1870. SENTINEL OFFICE, removed to Al lan's Brick Building, up stairs.

CHRISTMAS. "There is no time like the old time. some writer has said. And Christmas is a pleasant season, because it revives the memory and brings back the flavor of the of native musical talent. old times. Christmas is a 'thrice blessed' institution. It is blessed because of that sacred story which it commemorates; that story to which the angels over Bethleham shall never cease to roll in acculating volume of praise down to the latest times,

"Wrapt in flames the realms of Ether glow. And Heaven's last thunder shakes the world below." the present and the delightful converse o mores! about the past, during which the "loved and lost" seem to live again and hallow

and beyond the period when-

new and unctious life to the young, whose especial day Christmas is-and we are all

young again upon that day.

How blessed are we, the people of this portion of the world, this Christmas, 1870. as compared with the situation of other peoples. There, idolotry, heathenism,

munities we enjoy, let us take courage for the future and with patriotism flushed, with hearts more elate, with manhood's vigor more vigorous let us all engage, as men that our citizens did not have the opportment of hearing Mr. Main's lecture on the clock, and by the laws of the Corporation the block, and by the laws of the Corporation they have just ten minutes to get in Just such a clock, and by the laws of the Corporation they have just ten minutes to get in Just such a have just ten minutes to get in Just such a clock, and by the laws of the Corporation they have just ten minutes to get in Just such a clock, and by the laws of the Corporation they have just ten minutes to get in Just such a clock, and by the laws of the Corporation they have just ten minutes to get in Just such a clock, and by the laws of the Corporation they have just ten minutes to get in Just such a clock, and by the laws of the Corporation they have just ten minutes to get in Just such a clock, and by the laws of the Corporation they have just ten minutes to get in Just such a clock, and by the laws of the Corporation they have just ten minutes to get in Just such a clock, and by the laws of the Corporation they have just ten minutes to get in Just such a clock, and by the laws of the Corporation they have just ten minutes to get in Just such a clock, and by the laws of the Corporation they have just ten minutes to get in Just such a clock, and by the laws of the Corporation they have just ten minutes to get in Just such a clock, and by the laws of the Corporation they have just ten minutes to get in Just such a clock, and by the laws of the Corporation they have just ten minutes to get in Just such a clock, and by the laws of the Corporation they have just ten minutes to get in Just such a clock, and they have just ten minutes to get in Just such a clock, and they have just ten minutes to get in Just such a clock, and they have just ten minutes to get in Just such a clock, and they have just ten minutes to get in Just such a clock, an properly appreciative of providential good-ness should engage, in the work of ad-Napoleon the Third, as from that gentle-Napoleon the Third, as from that gentlevancing our country's interest and of di- man's well known ability it could not but meet together. One thinks there must be skatrecting her to true greatness.

May the present Christmas be the hap-

adjourned on the 16th instant, having been in session four days. We are under obligation to the Clerk, Wm. M. Connell, Esq., for the following list of business transacted by the Court. Trans-Atlantic Steamships

REGULAR AND DIRECT

Steam Communication from Glasgow, Liver-

pool and London, to Halifax and St John, N. B.

Alexandra, Britannia, Dacian, Anglia, India, Assyria, Columbia, Iowa, Dorian, Ismalia, Acadia, Scandanavian

BRITAIN, which can be had on concentrating business in favor of the Anchor Line. We are

authorised to say that a Steamer will be despatched for our port (in addition to the sailings now advertised) once every month during the Summer season, and this number will be increas-

ed according to the requirements of our trade.

From GLASGOW, Saturday, 18th March;
From LIVERPOOL, Wednesday, 22nd March;
From LONDON, Monday, 27th March;
From GLASGOW, Tuesday, 4th April;
From LIVERPOOL, Saturday, 8th April.
(Each Steamer touching at Halifax.)

Steamers of the "Anchor" Line are also des-

patched from Glasgaw to New York, and from New York to Glasgow, every Saturday and alter-nate Wednesday, by which we can book passen-gers from Great Britain, Ireland, Norway, Sweden

or Denmark, to any part of the United States or Dominion of Canada as speedily, comfortably and

eheaply as by any other Line.

The cabin accommodation of all these Steamers is of the most comfortable description, and as

the fares are moderate, the attention of tourists and travellers is specially directed to the Steam-

THE AMERICAN WATCH. The Public of the United States and Canada have now had over ten years' experience of WALTHAM WATCHES, and they are now everywhere acknowledged to be the ONLY RELIABLE

TIME-KEEPERS. Almost all other watches are sold under false pretenses; not one in a hundred bears the name of the
real maker; the public have absolutely no security,
and have therefore been constantly imposed upon.—
On the contrary, every buyer of a Waltham Watsh
gets a guarantee of the Company, and no matter from
whom he buys it, has positive security that he is getting a Thur Kuppen
