CALL at Emery & Starret's Harness Shop and  
examine these **Champion Lamp Chimneys**  
and improved **Burners.**  
The glass in these  
chimneys is of a superior  
quality, and are therefore much clearer  
and stronger than the ordinary kind. And when at-  
tached to the improved Burners, which in itself  
combines several improvements, such as ex-  
tending the light when the lamp smokes, and  
thereby preventing an explosion and also con-  
suming the gas of the oil, instead of letting it  
escape into the room, as the common Burners do,  
and the apparatus for spreading the flame, which  
gives a light equal to gas, makes this Chimney  
and Burner an indispensable article in every  
room and bed chamber. The trade sup-  
plied at a liberal price.
