An old gentleman in California became very jealous because his young wife went to a ball with a good looking fellow, and stayed out until broad daylight. He went to a Justice of the Peace and told his story, winding up with, "I want yer to help me, for that ar thing has been goin' on about long enough." "Well," said the Justice, "you can write down to Yreka, and see if some of the lawyers can't got you a divorce." "Divorce!" roared the angry man, " who the deuce wants a divorce?" The Justice began to get angry. " If you don't want a divorce, what the deuce do you want here?" "Why, I want an injunction to stop further proceedings.'

Ayer's Cathartic Pills, For all the purposes of a Laxative

not, know that it cures their neighbors and friends, and all know that what it does once it does always and all know that what it does once it does always—that it never fails through any fault or neglect of its composition. We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy artion—remove the obstructions of the stomach, bowels, liver, and other organs of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these

Pills rapidly cure: —
For Dyspepsia or Indigestion, Listlessness. Languor and Loss of Appetite, they
should be taken moderately to stimulate the stomach and restore its healthy tone and action. For Liver Complaint and its various symp toms, Billons Headache, Sick Headacho. Jauadice or Green Sickness, Bilious Colic and Bilious Fevers, they should be juaction or remove the obstructions which cause it.

For Dysantery or Diarrhoea, but one mild

dose is an analy required.

For Rheumutism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back and Loins, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints For Dropsy and Dropsical Swellings they should be taken in large and frequent doses to produce the effect of a drastic purge.

For Suppression a large dose should be taken As a Dinner Pill. take one or two Pills to proand bottomer Pitt. take one or two Pitts to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these Pitts makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

the following: -From L. J. RACINE, Esq., of La Minerve, Montreal. "Having experienced the most gratifying results from the use of Dr. Wister's Balsam of Wild Cherry, I am induced to express the great confidence which I have in its efficacy. For nine months I was most cruelly afflicted with a severe and obstinate cough, accompanied with acute pain in the side, which did not leave me, summer or winter. The symptoms increased alarmingly, and so reduced was I that I could walk but a few steps without resting to receiver from the pain and fatigue which so slight an exertion occasioned. At this juncture I commenced taking the Balsam, from which I found immediate relief, and after having used four bottles I was completely restored to health. I have used the Balsam in my family, and administered it to my children, with the happiest results. I am sure that such Canadians as use the Balsam can but speak in its favor. It is a preparation which has only to be tried to be acknowledged as the remedy par excellence."

A CURE FOR WHOOPING COUGH. ST. HYACINTHE, C.E., Aug. 21, 1856. Messrs. SETH W. FOWLE & SON.

Gentlemen:—Several months since a little daughter of mine, ten years of age, was taken with Whooping Cough in a very aggravated form, and nothing we could do for her seemed in any way to relieve her suffering. We at length decided to try a bottle of Dr. Wister's Balsam of Wild Cherry. In three hours after she had commenced using it, she was greatly relieved, and in less than three days was entirely cured, and is now well. I have since recommended the Balsam to many of my neighbors, who have used it, and in no case have I known it fail of effecting a speedy cure.

NATIONAL LIFE INSURANCE CO. OF THE UNITED STATES OF AMERICA.

Washington, D. C. CASH CAPITAL, \$1,000.000. Chartered by special Act of Congress.

Approved July 25, 1868.

OFFICERS. Clarence H. Clark, Philadelphia, President. Jay Cooke, Chairman Finance and Executive Committee. Henry D. Cooke, Washington, Vice Presidents E. A. Rollins, Philadelphia, Secretary & Actuary.

That the National Life Insurance Company of the United States of America is the most popular company in this country is evinced by the fact that in the first twenty months of its existence it received about 12,000 APPLICATIONS and issued 10,000 POLICIES, a much larger number than was ever issued at the same period of its existence by any other life Insurance Company in the world.

That it is the most secure company is proven by its Capital of \$1,000,000. That it is nemestly, correctly, and scientifically managed is guaranteed by the character and skill of its owners and managers, who, in addition to their integrity and ability, are influenced by pecuniary interests. Its rates of premium are as low as is consistent with entire safety. Its plan is entirely free from any complications gf notes, interest, fo., or uncertainties and disappointments of dividends, &c. Its contracts are definite, clear, and impossible to be misunderstood or misi epre sented. Its policies contain all of the promises made by the company, and are exceedingly liberal. All the advantages and privileges which can be safely granted to the insured are given by this deservedly popular and strong company.

HEALTH! BEAUTY!! Strong, Pure and Rich Blood-Increase of Flesh and Weight-Clear Skin and Beautiful Complexion, SECURED to ALL.

RADWAY'S

Sarsaparillian Resolvent HAS MADE THE MOST ASTONISHING CURES. SO QUICK, SO RAPID ARE THE CHANGES, THE BODY UNDERGOES UNDER THE INFLUENCE OF THIS TRULY WONDERFUL MEDIthe hours of twelve o'clock, noon, and five o'-Every Day an Increase in Flesh and Weight

is Seen and Feit.

Scrofula, Consumption, Syphilis, ancured and badly treated Venereal, in its many forms, Glandular disease, Ulcers in the Throat, Mouth, Tumors, Nodes in the Glands, and other parts of the system, Sore Eyes, Strumous discharges from the Ears, Eruptive diseases of the Eyes, Nose.
Mouth, and the worst forms of Skin diseases. Eruptions, Fever Sores, Scald Head,
Ring Worm, Salt Rheum, Errsipelas,
Acne, Black Spots, Worms in the Flesh,
Tumors, Cancers in the Womb, and all weakening and painful discharges, Night Sweats, loss of Sperm and all wastes of the life principle, are within the curative range of Radway's Sarsaparilian Resolvent, and a few days use will prove to any person using it for either of these forms of disease, its potent power to care them. Not only does the Sarsaparillian desolvent Woodstock, March 12, 1870-11 excel all known remedial agents, in the cure of Caronic, Scrofulous Constitutional, Skin and Syphilot I dis assist ut it is the only positive remedy for Isi Iney, Is adder Urinary, and Womb diseases, Gravel. Diabetes Dropsy, Stoppage of Water, Incon-tinence of Urine, Bright's disease. Album-inuria, and in all cases where there are Brick dust deposits, or the water is thick, cloudy, mixed with sub-tances like the

white of an egg, or threads like white silk, or there is a morbid dark, bilious appearance, and white bone dust deposits, and where there is a pricking, burning sensation when passing water, and pain in the Small of the Back, and along the Loins. In all these conditions Radway's Sarsaparil-lian Resolvent aided by the application of Radway's Ready Relief to the spine and Small of the Back, and the Bowels regulated with one or two of Radway's Regulating Pills per day, will soon make a complete cure. In a few days, the patient will be enabled to hold and discharge his water naturally without pain, and the Urine will be restored to its natural clear, and amber or sherry color. THE WASTES OF THE BODY are supplied with new, healthy, and vigorous blood, that furnishes sound structure. Hence all suffering from

furnishes sound structure. Hence all suffering from Weakening Discharges, either MALE or FEMALE, of the Womb, Uterus, or other organs, whether Lencorrhea, Sperm, or Eruptive discharges, of every kad, or from violence of "Self-abuse," from the Geniul Gands, or Venereal discharges, or ulcers, or sores, through the reparative process of RADWAY'S SARSAPARILLIAN, are arrested, and the ruptured organs healed RADWAY'S SARSAPARILLIAN RESOLVENT supplies the system, through the blood, urine, sweat, and structure-making constituents with Tissue making, Fiesh making, Heat or Caloric and Fat making clements. All of its constituents are nourishing, purifying, and strengthening. It Repairs, Heats, Resolves, and drives out of the body the products of Decry and Correspond. CONSUMPTION, WHITE SWELLIANS, EXCLUSION. SYPHILIS, CANCERS, TUMORS, &c., are all of a scrofulous diathesis, and as such, are within the curaine range of the SARSAPARILLIAN RESOLVENT!

1. That Scrofula, by whatever name designated, is the result of deposits from the blood, induced or a sed by Chronic inflamation. That those deposits take place when the blood is poor, weak, watery, and incapable of holding in solution its proper constituents, or from the presence of some virus or poison in the blood as Mercury, Calomel, Corrosive Sublimate, which is the Carrieve Chloride of Mercury or other agents, given in mediate and which enter levelly in the common advents of cines and which enter largely in the common advects d Sarsaparillas, NOT ABSORBED OR CHANGED FROM THEIR NATURAL CONDITION. 2. That unless the repairs or nutriments are greater than the wastes, that decomposition and decay will supervene, and the powers of life become exhausted.

3. That the dying body cannot be sustained on any treatment of medication that exhausts the system, or fulls to nourish the blood, the only medium through which the vital forces are preserved, and on which the growth of the body depends.

4. That Radway?s Sarsaparillian Resolvent supplies a want hever before possessed or known to exist in medicine, that this new found principle in Chemical science, which has been brought to such a perfect system of cure is exhibited as follows:

1. He great power in assimilating the food in its first l. Its great power in assimilating the food in its first stage of distillation in the process of digestion, as chyme and chyle with the nourishing elements of blood, so rating from these liquids refuse and inert qualities before they are taken up by the lactecals and are formed into blood. Here we see that by its wonderful power it charges the system with the very essence or principle that forms the vital powers of the body, and its primitive and complete amplition scrarates every atom of refuse material or plete condition, separates every atom of refuse material or e em nt, out of which the virus of disease is formed.

2. That, the blood thus prepared, and supplied with these nourishing properties becomes strong, rich and needthy, and holds in solution its proper constituents, through the Sarsaparillian Resolvent, and repairs the wastes of the body with sound and healthy structures. Such is the wonderful power the Sarsaparillian Resolvent exerts on the blood and uices of the system, that no virulent humors or poisons will exist by which deposits are made.
3. The rapid ty which the Sarsaparillian enters through the Blood, Sweat, Urine, and other fluids, secures the constituent secretions of each respective organ, establishing functional harmony throughout the system; though its action and power over the Secret Liver secretes its natural or proper allotment of bi'e; the Skin sweat; the Kidneys urea; and the Lungs carbon; so that this wonderful medicine not only estab-ishes he lith in the sick body, but preserves the system

As we have shown the principle on which disease is formed, as well as the only sensible theory of cure, we claim that the range of cure of the Sarsaparillian Resolvent is unlimited, and that every disease that is of a Chronic, Scrofulous or Organic Diathesis, is, properly within its special range. THE GREAT SECRET OF CURE in this Medicine consists in the selection of ingrediente containin; curative and nourishing properties that supply the blood and general system with such constituents which, in a condition of disease and deprayity, it is deficient of, together with the combination of the several ingredients that form the SARSAPARILLIAN RESOLVENT.

If the constituent of Oxygen was exhausted from the tmospheric air, life would become extinct. So, when the blood becomes exhausted of its vital constituents, it deposits its tubercles and diseased humors in the body, and the elements of decay and decomposition supervene. Redway's Sarsaparillian Resolvent is to the blood and general system what Oxygen is to the atmospheric air; it supplies the life principle, and enables the blood to hold in solution all its natural con-

DAILY CHANGES take place, for as the Sarsaparillian increases the strength and purity of the blood, all deposits are diminished, and where there are tubercles formed in the lungs, the further deposits are arrested, and those that are established or forming dislodged, expelled, exhausted, or the portion of the diseased lung cicarrized, and the consumptive, scrofulous subject receives good, if not sound, Gravel, Dyspepsia, Sore Legs, Bleeding from the

demand, and working yonders. Mr. Hoag, of Straffords-ville, merchant, told me of a case where a woman WAS BLIND, but, by the use of the SARSAPARILLIAN RE-SOLVENT, can now see to read She would give a certificate, but does not wish to be bothered with people writing. Hundreds call to see her. The cure is regarded "Messrs. White & Scott, principal draggists here, inform me of a person of note—high social standing—who for years was afflicted with DYSPEPSIA and GRAVEL, who has been entirely cured by RADWAY'S SARSA-PARILLIAN RESOLVENT." Mr. Hoad reports another case of Chronic Sore Leg. that resisted all other advertised medicines, cured by a few bottles of SARSAPARILLIAN RESOLVENT. " Mr. JONATHAN FREELAND, of Widder Station, cured, by one bottle, of Bleeding from the Lungs, Night Sweats, Threatened Consumption.

"In every town I visit I hear of wonderful cures by the SARSAPARILLIAN RESOLVENT. For every kind the SARSAPARILLIAN RESOLVENT. For every kind of Humor, Sore, Skin Eruption, and all weakening discharges, the people use it, and become cured; so with Fits, Scrofula, White Swelling, Sore Heads and Eyes, Nose and Mosth, all kinds of Sores, this wonderful remedy acts so powerfully on the blood that all who take it become strong, sound, and healthy.
