In thy childhoon's happy home; Never more o'er field and meadow, With our darling shall we roam. Never more those looks of silver. Never more those blue eyes see; Never hear thy sweet voice singing Happy home in heaven for me. Fare thee well, but not forever,

We shall meet thee by-and-bye; When our lives on earth are ended We shall meet you in the sky. Near the throne we trust to find thee. Then again unto our hearts. We shall press our darling Willie Never more from thee to part. At Upper Woodstock, on the 6th inst., Cora
