fron in the Blood

NATURE'S OWN VITALIZER

The Peruvian Syrup, a Protected Solution of the Pretoxide of Iron, 18 so combined as to have the character of an aliment, as eastly digested and assimilated with the blood, as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a Groceries of all kinds and Descrip- thousand tile," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving nothing for disease to feed upon. This is the secret of the wonderful success of this remedy in cur-

ing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhaa, Boils, Nervous Affections, Chills and Tevers, Humors, Loss of Constititional Vigor, Diseases of the daneys and Bladder, Temale Complaints, and all diseases originating in a bad state of the b'ood, or accompanted by debilt'y or a low state of the system. Leing free from Alcohol, in any form, its energizing effects are followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system and building up an Iron Con-

Certificate of A. A. HAYES, M. D. of Boston, Assayer to the State of Massachusetts. it is well known that the medicinal effects oxide of Iron are lost by even a very brief exare to air, and that to maintain a solution of exide of Iron without further exidation has n deemed impossible. In the PERUVIAN RUP this desirable point is attained by COMBIN ON IN A WAY BEFORE UNKNOWN; and this solu may replace all the proto-carbonates, citrates tartrates of the Materia Medica. It is als

nently adapted to take the place of any Protos of Iron which physicians have used in Scurvy corbutic attacks; and, to meet such cases, t up should be found in the medicine-chest o From W. R. CHISHOLM, M. D., of New Bodford, Mass. ully in cases of Dyspersia, Chronic Diarr A, NERVOUS DEBILITY, NEURALGIA, ERYSIPELAS ILS, and DISEASES OF THE SKIN; also, CHLOROSIS CCORRHEA, PROLATSUS UTERI, and in FEMALA OIPLAINTS generally. As an alterative tonic th rup ought to be used by clergymen, editors, cash

rs, clerks, lawyers, and others who use their brah ere than their muscles; as well as operativ printers, tailors, shoemakers, seamstresses, and a those whose occupation confines them in ill-vent lated and over-heated rooms, who are liable to suffer here or less from nervous deblity." From the venerable Archdeacon Ecott, D. D.

. . . "I am an inveterate Dyspeptic of mor . . "I have been so wonderfully benefitte a the three short weeks during which I have us he Pernylan Syrup, that I can scarcely persuad yself of the reality.—People who have known me re astonished at the change."
"I am widely known, and can but recommend to thers that which has done so much for me.

From a distinguished Jurist. "I have tried the Peruvian Syrup, and the resu man of the infused into my system new Y energy; I am no longer tremulous and as when you last saw me, but stronger, heartier and with larger capacity for labor physical, than at any time during the last in From the Rev. J. C. Ma lory, Pastor of the Bapti Church in Sarona, N. Y.

"I take great satisfaction in commending the PERUVIAN SYRUP to the notice of Dyspeptics." plaint, while as a general Tonic I think it has 1 Thousands have been changed by the need A pamphlet of 32 pages, containing certificates th other valuable and later sting matter it race to any one sending us their name a

That the National Life Insurance Company of he United States of America is the mest popular ompany in this country is evinced by the fact the United States of America is the mast po company in this country is evinced by the fact that in the first twenty months of its existence it received about 12,000 APPLICATIONS and issued 10,000 POLICIES, a much larger number than Leares Pointe Levi on Tuesdays, Thursdays was ever issued at the same period of its existence and Saturdays, at by any other life Insurance Company in the Arriving at Riviere du Loup at

That it is the most secure company is proven by its Capital of \$1,000,000. That it is ionestly, correctly, and scientifically managed is guaranteed by the character and skill of its owners and managers, who, in addition to their integrity and ability, are influenced by pecuniary interests. Its rates of premium are as low as is onsistent with entire safety. Its plan is entirely free from any complications of notes, interest, &c., or uncertainties and disappointments of dividends, &c. Its contracts are definite, clear, and impossible to be misunderstood or mistepre sented. Its policies contain all of the promises made by the company, and are exceedingly liberal. All the advantages and privileges which

can be safely granted to the insured are given by this deservedly popular and strong company.

In lian in a line of the Sack, and the Bowles regulated with one or two of Radway's Sarsaparilian felications Eaddway's Sarsaparilian felications Eaddway's Sarsaparilian felications Eaddway's Regulation of water, and path in the all these and without pain, and the Urine will be consided to hold and discharge his water anturally without pain, and the Urine will be restored to its natural clear, and amber or sherry color.

THE WASTES OF THE BODY Goods delivered in St. Stephen duty paid

THE WASTES OF THE BODY are supplied with new, healthy, and vigorous blood, that furnishes sound structure. Hence all suffering from Weakening Discharges, either Male or FEMALE, of the Womb, Uterus, or other organs, whether Loucorchea, Sperm, or Eruptive discharges, of every kind, or from violence of "Self-abuse," from the Genital Glands. r Venereal discharges, or ulcers, or sores, through the perative process of RADWAY'S SARSAPARIL-AN, are arrested, and the ruptured organs healed. THE TRUE THEORY OF CURE. the less the system, through the blood, urine, sweat, and ructure-making constituents with Tissue making, Flesh aking, Heat or Calorio and Fat making elements. tking, Heat or Caloric and Fat mustage elements. If of its constituents are nourishing, purifying, and treat hening. It Repairs, Heats, Resolves, and drives the body the products of Decay and Corruption. SUMITION, WHITE SWELLING, DROPSY, I HILLS, CANCERS, TUMORS, &c., are all of a rofulous diathesis, and as such, are within the curative and of the SARSAPARILLIAN RESOLVENT!

That Scrofula, by whatever name designated, is result of deposits from the blood, induced or caused Chronic inflamation. That those deposits take place on the blood is poor, weaks watery, and incapable of did ng in solution its proper constituents, or from the escace of some virus or poison in the blood, as Merty, Calomel, Corrosive Sublimate, which is the Corrose Chloride of Mercury or other agents, given in mediaes and which enter largely in the common advertised resparables, NOT ABSORBED OR CHANGED COM THEIR NATURAL CONDITION. 2. That unless the repairs or nutriments are greater an the wastes, that decomposition and decay will survene, and the powers of life become exhausted.

That the dying body cannot be sustained on any m nt of medication that exhausts the system, or fails tre am nt of medication that exhausts the system, or fails to noursh the blood, the only medium through which the relationary forces are preserved; and on which the growth of the body depends.

1. That Radway's Sarsaparillian Reserved; supplies a want hever before possessed or known that in medicine, that this new found principle in the stem of cure is exhibited as follows:

I great power in assimilating the food in its first specific with the nourishing elements of blood, the relating from these liquids refuse and inert qualtaries they are taken up by the lactecals and are on d into blood. Here we see that by its wonderful we it charges the system with the very essence or

into blood. Here we see that by its wonderful it charges the system with the very essence of le that forms the vital powers of the body, and its action on the blood in its primitive and committee and control out of which the virus of disease is formed. In the blood thus prepared, and supplied with a rishing properties becomes strong, rich and and holds in solution its proper constituents, the Sarsaparillian Resolvent, and wastes of the body with sound and healthy wastes of the body with sound and healthy. Such is the wonderful power the Sarsaparillian Resolvent exerts on the blood and the system, that no virulent humors or policial the system, that no virulent humors or policial by which deposits are made. I rapidity which the Sarsaparillian enteredation, and communicates its curative powers the Blood, Sweat, Urine, and other fluids, seconstituent secretions of each respective organ, and functional harmony throughout the system; its action and power over the Secretions, the retes its natural or proper allotment of bite; sweat; the Kidneys urea; and the Lungs that this wonderful medicine not only establish in the sick body, but preserves the system

have shown the principle on which disease is as well as the only sensible theory of cure, that the range of cure of the Sarsapariles solvent is unlimited, and that every disease is Caronic, Scrotulous or Organic Disthesis, is, within its special range.

THE GREAT SECRET OF CURE dicine consists in the selection of ingredients curative and nourishing properties that sup-mod and general system with such constituents a condition of disease and depravity, it is defi-together with the combination of the several and that form the SARSAPARILLIAN RESOL the constituent of Oxygen was exhausted from the spheric air, tife would become extinct. So, when

bool becomes exhausted of its vital constituents, it

sits tubercles and diseased humors in the body,

at the elements of decay and decomposition supervener

terd vay's Sarsaparillian Resolvent is to blood and general system what Oxygen is to the appheric sir; it supplies the life principle, and ables the blood to hold in solution all its natural con-DAILY CHANGES ne, for as the Sarsaparillian increases the strength rity of the blood, all deposits are diminished, and there are tubercles formed in the lungs, the

tor deposits are arrested and these that are established forming dislodged, expelled, exhausted, or the orthon of the diseased lung cicarrized, and the consumption of the diseased lung cicarrized, and the consumption acrofulous subject receives good, if not sound, BLIND LADY CURED. wel, Dyspepsia, Sore Legs, Bleeding from the George Mostimer, a commercial traveller, in West, writes us, under date of April 17, 1869, SARSAPARILLIAN RESOLVENT is in great d, and working yonders. Mr. Hoae, of Straffords-merchant, told me of a case where a woman WAS ND, but, by the use of the SARSAPARILLIAN RE-

PAT, can now see to read. She would give a late, but does not wish to be bothered with people g. Hundreds call to see her. The cure is regarded * ssrs.
