New Albion House,
McGILL STREET,
Montreal, Canada.
THE "NEW ALBION HOTEL," the largest Hotel in Montreal, has just been opened under the management of the undersigned. While the "Old Albion" has been long noted for the strict attention paid to its numerous guests, the "New Albion" takes its position as a first class Hotel, and is really, first class in every respect, except the charges, which better suit the needs and requirements of the majority of travelers, than many of the so-called, "first class Hotels," which deserve the title more through the amount of their charges than through the quality of their service.
The large hall, commodious office, spacious Reading Room, covered Dining Room, with Wash Room, &c., on the ground floor, and the Reception Room and Suite of Splendidly furnished and Thoroughly Ventilated Ladies' Parlors, on the second floor, will form no small luxury during the hot summer season. And, who is so exacting to the general Rule in Hotels, the Bedrooms are all well ventilated and lighted, there is not being a dark room in the Hotel.
The premises are well for its future career; every thing associated with its construction has been carried out with artistic taste and systematic correctness.
