John, or by Annapolis and Halifax.

III. The distance from Quebec to St. John via this route is shorter than by any other route; being per Intercolonial Railway, 573; per Western Extension 606; per Sherbrooke line 445 and by this Railway, 425 miles.

IV. It will connect with Quebec the terminus of limits of the Parish of Woodstock embraced within the limits of the Town of Woodstock, each and every

V. The maratime Provinces of New Brunswick and Nova Scotia depend principally for flour and other articles of consumption upon Western Canada, and nearly all this traffic will come over this railway, because, in addition to the shortness of the route, it will avoid the necessity of forwarding in bond through the United States, and also extra handling, transhipment and insurance. There will be a return traffic in West India produce, European and other imported goods, &c.

VI. The local traffic will be remunerative, the proposed line passing through a comparatively well settled and prosperous district, especially gifted.

taining a very large population.

VII. The lands granted by New Brunswick will immediately produce by sales, leases and timber licenses a revenue to the Companies apart from the traffic of the Railway. VIII. It is estimated that the increased value of these lands will redeem the debentures, leave the Railway unencumbered in the hands of the Share-holders, and at \$2.50 per acre pay for the cost of the Railway.

THE subscriber has on hand and for sale a Large Quantity of No. 1 Spruce Clapboards; also No. 1 and No. 2 Pine Clapboards, which he

### NOTICE.

A N application will be made to the Legislature at its sext session, for the passage of the following Bill prepared in pursuance of a Resolution of the County Council of the Municipality of Carleton. R. K. JONES, Sec. Treasurer. January 20th, 1871.

A BILL To enable the County Council of the Municipality of Carleton to aid the New Brunswick Railway Company in constructing a Line of Railway from Woodstock, in the County of Carleton, to Edmundston, at the Little Falls, in the County of Victoria, and in building a Bridge across the River Saint John at

WHEREAS, The County Council of the Municipality of Carleton at its semi-annual meeting held on the second Tuesday in January in the year of our Lord one thousand eight hundred and seventy one, resolved to give to the New Brunswick Railway Company, as a Bonus or Subsidy, County debentures to the amount of one hundred thousand dollars, to aid the said Company, in construction a That he will have a stock manufactured, and will be able to supply any quantity after the middle of February.

A sample may be seen at the subscriber's store, and orders received, so as to ensure an early de livery.

LUMBERMEN, before fitting out, will please passengers free to the public, across the River Saint call and examine this Dog, as it will save them John at some point in the Parish of Woodstock, both in expense and labor. said Debentures to be delivered as hereinafter men-Be it therefore enacted, by the Governor, Legislative Council and Assembly, as follows:—

1. To enable the County Council of the Municipality of Carleton to carry out such determination, the said County Council of the Municipality of Carleton is hereby authorized and empowered te ssue Debentures in favor of the New Brunswick Railway Company or bearer, for an amount not exceeding one hundred thousand dollars, verified and authenticated in such manner, payable at such places, in such periods not exceeding twenty years, in such sums, bearing such rate of interest not ex-

> consecutively according to the times at which the same shall be issued.

as follows:-Upon the said Company commencing have granted in aid of the undertaking the munificent donation of 2,400,000 acres of Crown Lands, to be given to the Company, as the Railway is proceeded with, from the Counties through which it
