The Garleton Sentinel.

SATURDAY, JUNE 17, 1871.

SENTINEL OFFICE, removed to Allan's Brick Building, up stairs.

As we so expressed the opinion before Now thou art come with thy blessings again, tive statement from Ottawa had been made public, there appears to be no into call Parliament for a special session to Welcome to streams nearly dry in their beds consider the "Treaty." Indications are Welcome to streams hearly dry in and plain, nor even Sir John A. Macdonald, as Premier, is disposed to try and press from parliament a ratification of those portions more immediately affecting our To the traveller weary who droops 'neath the Commissioner, and whatever he did as Everything's singing thy welcome again. such was done, no doubt, purely in view less unpopular; and no doubt among pondent. This correspondent, by the little of the Liniment into the cavity of the the warmest well wishers of the Domin- way, says :ion, who are anxious sincerely that the "If I am correctly informed, and I have The census just taken will, it is expected, livered his special Repeal plea at Westminis-

States forever of the right to fish within three miles from our shore, there could be no disthese rights should be surrendered.

"He believed that if we rigorously exclud- wedding presents cost \$45,000. ed the fishermen from the three-mile line. we would so protect our rights as to exclude all foreign fishermen by making their fishing

mission could not be made law unless ratified tion. by the Parliament of Canada, so that there was no risk in the matter."

was no risk in the matter."

We notice that the Ontario papers, in reply to suggestions which have appearance of the Subject, and this being the case, we are the more willing to wait hopefully for those explanations which may justify his course and for the development of that policy which the papers at Ottawa, which probably are enlightened on the matter, declare is one that will satisfy the people of the Dominion and especially those who at present think that our rights slightly regarded.

We notice that the Ontario papers, in reply to suggestions which have appears of the Maritime Provinces, to the effect that Ontario papers, in reply to suggestions which have appearance of the digestive organs. If from the latter, Dr. Wilson's Family Antt-Billious Pills are the deded of heroic self-sacrifice which shames of the bow who, deep down in the house, drove vessels on shore, and several out sace. Lonson, June 14.—Earl De Gray and Ripon is to ded of heroic self-sacrifice which shames the treaty affecting the fisheries, disavoury and the policy which the papers at Ottawa, which probably are enlightened on the matter, declare is one that will satisfy the people of the Dominion and especially involve.—St. John News.

We notice that the Ontario papers, in reply to suggestions which have appearance of the body not deep down in the blatter, Dr. Wilson's Family Antt-Billious Pills are the digestive organs. If from the latter, Dr. Wilson's Family Antt-Billious Pills are the deded of heroic self-sacrifice which shames the treaty affecting the fisheries, disavoury and the policy which the papers at Ottawa, which probably are enlightened on the matter, declare is one that will satisfy the people of the Dominion and especially involve.—St. John News.

It is stated in an Ottawa dispatch of the digestive organs. If from the latter, Dr. Wilson's Family Antt-Billious Pills are the ded of heroic self-sacrifice which shames to insignificance the actions by which many shampler men have climbed to fame and honor. Coney and a companion s

It will be much more easy, we fear, for Sir John to justify his own course; much more easy for the Government to satisfy the people respecting its own policy than to disabuse the public mind of a well founded belief that, so far as the Imperial policy is concerned, very little consideration is devoted to mere Colonial interests, which were readily to be sacrificed for the sake of establishing good feeling between Britain and the United States. Not that we think this a subject States. Not that we think this a subject of indifference to the Dominion; not but that our interests and feelings are sufficiently identified with those of England to make our people anxiously interposed for the promotion of peace and sharp pronounces a rose. The question of Sharp pronounces a rose. The question of Simon Cummins belance due.

Mayor Fisher has shown us a sprig cut from a "New Brunswick" apple tree in his orchard, by Mr. Sharp, which contains, in addition to several small apples, a large white double flower, which Mr. Sharp pronounces a rose. The question Simon Cummins belance due. ested for the promotion of peace and concord between those two great nations, what is it? has elicited a good deal of John Montgomery bridge Hodge but as we have just claims ourselves discussion among our local wise ones.—
