THE FENIAN FORAY IN MANITOBA

St. Paul, Minn., papers bring full particulars of the Fenian raid into Manitoba, and the capture and occupation of the Hudson Bay Company's fort at North Pembina by Gen. O'Neil, on the morning of the 5th inst. It appears that Mr. Douglas, the assistant Custom House officer, was alarmed early in the morning by a half-breed, who informed him that a body of men, numbering about forty, were marching down. Mr. Douglas went to the door, and, seeing them coming, awoke Mr. Webster, and then Douglas started across the prairie to alarm the Hudson ed across the prairie to alarm the Hudson Bay post. He was pursued by Gen. O'Donohue and another man on horseback, who pre-sented revolvers at his head and ordered him back in the name of the Provisional Govern-ment of Manitoba. The Fenians then marched down and took the Hudson Bay post, the only inmates being an old man and his wife, Mr. Watt, a one-armed Hudson Bay official, and Mr. Scott, his clerk. The Fenians seized all the provisions and made selections of clothing for themselves. Messrs. Douglas

(O'Donohue's) horse, but he was immediately knocked off, when O'Donohue mounted and fled with others who had horses taken from half-breeds. Many of them threw away their arms as they ran. Those who were on foot took to the brush along the river. The troops fired a volley at the mounted Fenians, but it was believed that no one was injured and he wants to know if there is another man living whose father was born one hundred and sixty-five years ago.
