The Great Blood Purifier
AND CERTAIN CURE FOR
Liver Complaint, Dyspepsia, and
Indigestion.
Dr. Wilson's Tonic and Sarsaparilla
Elixir.
OUR blood is the life, and from the blood we
derive our strength, beauty and mental capa-
bility. To purify the blood means giving vigor to
the whole system, adding fresh vigor both to
the mind and body. A vigorous body is at once
less liable to attack of disease, contagious or other-
wise, and better able to sustain long continued work,
it strengthens, braces and vitalizes the brain, be-
comes a vigorous body more liable to thick clear-
ly and well.
Physicians have, ever since the importance of
the blood circulation was known, been seeking for
a sure blood purifier. Some have put their faith in
acids, some in alkalies, some in purgatives, others
in the lancet, but all have failed because they have
not attacked the source of the impurity. The
Tonic and Sarsaparilla Elixir recognizes that the
true principles of purifying the blood is to cleanse
out and strengthen the natural emanations, that
they may properly perform their office of secreting
from the impure blood, as it passes from the glands,
the purification of the blood.

This is the secret of the powerful influence which
this Tonic and Sarsaparilla Elixir exercises upon
the human system without weakening or debilitat-
ing it. As it contains no ALCOHOL, it stimulates,
yet is not followed by reaction, because at all times
Alcohol is a very good solvent of many medicinal
drugs, and it is in this action that the Tonic and
Sarsaparilla Elixir is so powerful. The inventor has
found from experience, that the pure juices of
the blood are the best and most reliable means of
restoring the system to its natural state. The Tonic
and Sarsaparilla Elixir is a combination of the
purest and most reliable ingredients, and it is this
combination of the purest and most reliable ingredi-
ents, which gives it its powerful influence upon the
human system without weakening or debilitat-
ing it. As it contains no ALCOHOL, it stimulates,
