New Albion House

McGILL STREET, Montreal, Canada. RESIDENCE-Mr. Archibald Plummer's, Hotel in Montreal, has just been opened under the most favorable auspices.

Whilst the "Old Albion" has been long note for the strict attention paid to its numerous guests, the "New Albion" takes its position as a first class Hotel, and is really, first class in every respect, except the charges, which better suit the ideas and requirements of the majority of travellers, than many of the so calle class Houses;" which deserve the title more through the amount of their charges than aught Already the crowded state of the "New Al-

bion" promises well for its future career; everything associated with its construction has been carried out with artistic taste and systematic

Reading room, convenient Dining, Coffee, Wash rished and Thoroughly Ventilated Ladies' Par-lors, on the second floor, will form no small luxury during the hot summer season. And, what is an exception to the general Rule in Hotels, the Bedrooms are all well ventilated and lighted, there is not being a dark room in the

Being situated on the widest and healthiest Street in Montreal, commanding a Magnificent view of the River St. Lawrence and the Victoria Bridge on the left, and a full view of the Victoria Square with its numerous "Jets d' Eau" and Mount Royal on the right, it cannot fail to com mend itself to the travelling public.

From its situation on McGill Street, the great thoroughfare and commercial centre of the City, it cannot fail to be, as the "Old Albion" has always been a strong favorite with the Merchants Notwithstanding the very large outlay in building and furnishing the house, the old price of \$1.50 per day will not be departed from. We, therefore, bespeak for ourselves a continu-
