Government on the negotiations. Afterwards, and having this right, there was no reason to Government on the negotiations. Afterwards, however, the British Ministers entirely ignored our Government. With regard to the negotiations. One would think from the negotiations against action being had until July, as the negotiation of the Council, noticely, total majority of the Council, noticely, and the council majority of the Council major reference in the Queen's speech of the possibility of individual indescretions in relation to the Fisheries, and warning against our deprecating them, unless there was some cor-

productive of cordial and lasting triendship between the two nations.

2. Resolved, That this House regards the lieuways to come that that connext when the time should come that that connext were to take sweet council with his hon. friend lieuways to come that that connext were to take sweet council with his hon. friend lieuways to come that the connext were to take sweet council with his hon. friend lieuways to come that the connext were to take sweet council with his hon. friend lieuways to come that the connext were to take sweet council with his hon. friend lieuways to come that the connext were to take sweet council with his hon. friend lieuways to come that the connext were to take sweet council with his hon. friend lieuways to come that the connext were to take sweet council with his hon. friend lieuways to come that the connext were to take sweet council with his hon. friend lieuways to come that the connext were to take sweet council with his hon. friend lieuways to come that the connext were to take sweet council with his hon.
