Dr. Wilson's Tonic and Sarsaparillian

OUR blood is our life, and from the blood we derive our strength, beauty and mental capabilities. To purify the blood means giving new life to the whole system, adding fresh vigor both to the mind and body. A vigorous body is at once less liable to attack of disease, contageous or otherwise, and better able to sustain long continued work. termentation and acidity of the food, and thus pretermentation and acidity of the tood, and thus prevents Indigestion and Dyspepsia, or cures them if already present.
