"Gustayus Reinold."

The Baron uttered a dismal groan.

"Ikla, you have murdered me!" he cried, and sank feebly into a chair.

"Not so bad as that, I hope," she replied smilingly.

"I tell you that whoever harbours the traitor is to be shot—and so must I." And the Baron groaned again. "What made you know of the culprit?" he cried.

"I would say to bim, Sire, your man, ?"

"What do you know of the culprit?" he cried.

"What do you know of the culprit?" he cried.

"His sentence is unjust," she answered the products of the forest, which, in 1869, were \$1,849,262, and in 1870\$1,998,764—an increase is due interference of the Queen "She rose, went to the table, and took a paper from it.

Now, if I were Queen, I would approach the Baron groaned again. "What made you take so fatal an interest in this wretched adjust." I would say to him, Sire, your approach to the county that it would be a creeded those of 1869 by about \$175,000—the greater portion of this is in exports of the products of the forest, which, in 1869, were \$1,849,262, and in 1870\$1,998,764—an increase is due interference of the Queen "She rose, went to the table, and took a paper from it.

Now, if I were Queen, I would approach the King, as I do you, with the paper in my band." She walked up to him with dignity. "I would say to him, Sire, your approach the products, and no increase in animals and their produce of about \$40,000. There is a decrease in anxiety for the completion of the proposition I cannot the products of the greater portion of this is in exports of the greater portion of this is in exports of the greater portion of this is in exports of the products of the forest, which, in 1869, were \$1,849,262, and in 1870\$1,949,764—an in 1870\$1,949,764—an in 1870\$2,949,764—an in 1870\$ you iake so fatal an interest in this wretched young man?"

She walked up to him with adjusting many about \$40.000. There is a decrease in dignity. "I would say to him, Sire, your sister, know it, and my dear mother, your sister, know it also. Forced by a cruel and unjust sentence to fly his country, he found refuge in ours."

He took the paper from her in surprise, and looked at it.

"A parlon for Captain Reinold," he exclaimed, and his brow darkened angrilly. "Indeed, then, my dear little friend, if it?"

"To follow me whan you sent for me Finding the pursuit so hot, I thought the best asylum for him was your chateau."

At this moment, a servant entered the room and any composed, she immediately are and any composed. Some servant entered the room and any composed form her process. The export table conclusing manufactures. The export table conclusion of the proposed line of communication. It is a small matter that Woodstock and the County of Carleton and been defeated by the Council of Carleton County. constituents, but do not think it necessary

Mr. Dibblee-This motion is intended, by a side wind, to destroy the whole project Mr. Kilburn-Is this in order, Mr. Warden, to impute improper motives to a mem-Mr. Dibblee-The truth always cuts the

most keenly where it applies. The object is to destroy this project. There is too short a time before the meeting of the Legislature for an appeal to the people. Better let the motion pass with a proviso that the ratepayers shall have an opportunity to appeal gainst it being carried into effect. Mr. Hayward-My object in seconding the amendment was not to kill the motion. We, in July last, endorsed the principle of giving assistance to this road, and I am still willing to endorse the principle, but feel that when a large amount is involved the people should be consulted.

Mr. Kilburn-Some members are fond of nputing improper motives to me, no mater what I do. I have no desire to try and baffle those who are disposed to give aid, but am quite willing to "let her rip," as the "Well, I am," he answered: "but I all the Council there was assembled, and the N. B. Railroad Company, was heard; It were a bad precedent to establish, that of voting a large sum of the people's money without their assent; such a course is not pursued elswhere. For us to attempt in this shabby way to ignore the people, would only ensure our ultimate defeat, and we would County of York, to Edmonton, in the County | boasted liberties worth if we take our neigh-

That the proposed lines will connect the we could not give anything more than moral existing Railways of this Province with the assistance now; we can not give, or take "No sire; you deceived yourself. Had River St. Lawrence, and also with the Rail stock, to the amount of \$100,000 without first obtaining Legislation as we did last and by which the supplies required by this necessary arrangements, but notwithstand-Province can be obtained without passing ing that all we can now give is simply so the river. I would be sorry to have it in-The Governments of Quebec and of this ferred that I disbelieve Mr. Inches, who tells Province have given very liberal aid to- us that the Company have no intention of the wards the construction of the line, and the Road going any route save by the river, and Company have been in communication with Mr. Inches may be sincere and may believe eminent Engineers and Capitalists in Eng- that, but I have heard it said that Mr. Til-MEN.—The Legislature of this Province will soon be assembled for the discharge of busi- land, with the object of obtaining the money ley once stated in the Mechanics' Institute, ness. It, therefore, behoves the Local Gov. required, and they are sanguine of success, here, that there was no possibility of the ernment to make timely preparation for that provided the localities through which the Intercolonial being built by the North Shore, joining room, and brought forth an antique event. We trust they are making that line passes will give their assistance, to such now Mr. Tilley holds a high position, and joining room, and brought forth an antique costume, such as had been worn by the dames of fifty years ago.

I have the greatest desire to see how you would look dressed as my grand-mother," she cried

The King was appalled.

We trust they are making that preparation. We hape they will be ready to give a good account of their stewardship in the past when the House meets, and that their measures for the advancement of the public interest in the future will be found to be well considered and well adapted to reach the ends contemplated. The most interest in the future while the finite proposed to combine a Roadway with the Railway Bridge, thereby rendering is but one line projected why is it in the most important subject to which and a second bridge unnecessary and supplying the River St.

John will be very great, and to provide as much accommodation to the public as possition, and mextent as they consider the importance of the undertaking warrants their assistance, to such as they consider the importance of the undertaking warrants their assistance, to such as they consider the importance of the undertaking warrants their assistance, to such as they consider the importance of the undertaking warrants their assistance, to such as they consider the importance of the undertak important subject to which their attention a second bridge unnecessary, and supplying plural in the act; and the word "lines" at present can be given is the improvement a want so much felt of late years, and so used.
