The Principal has recently enlarged his previously liberal provision of Apparatus, and of Chemicals to aid in the Teaching and Illustrations of Natural Philosophy, Chemistry, and other branches; and has also a supply of Mathematical and Astronomical Instruments, including Telescope and Circumferentor. The School has well experienced assistants, both in the Male and Female departments.—
In the latter the Pupils have tuition in MUSIC,
DRAWING, &c., from the Female Assistant, and at the same time, although the departments are at the same time, although the departments are separate, have full advantage of the teaching of Mr. McCoy, in any or all of the subjects which come under his especial charge. It is the object of the Principal as well to prepare pupils to enter successfully on a University course, as to finish the education of such as propose to adopt the business of teaching, or to enter upon Commercial or Business pursuits, and to give to all Students in the lower as pursuits, and to give to all Students in the lower as also from Windsor—the seat and centre of English royalty and nobility.—trom which place she has pursuits, and to give to all Students in the lower as well as higher classes as great an amount of instruction as the time spent by them at the School will admit. That the School has been eminently successful in these respects, the roll of those who have passed through it, and many of whom occupy positions of honor and emolument in this country and elsewhere, furnishes convincing evidence.

Woodstock, June 9, 1871 Ayer's Sarsaparille FOR PURIFYING THE BLOCK. s derived from its cure many of which are truly

marvellous. Inveterat cases of Scrofulous dis-ease, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and orders, which were aggravated by the scrofuthey were painfully afflicting, have been radically cured in such great numbers in almost every sec-

tion of the country, that the public scarcely need to be informed of its virtues or uses. Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution and invites the attack of enfeebling or fatal diseases. without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develop into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows ts presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this Sarsaparilla is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of this SARSAPARILLA: St. Anthony's Fire, Rose or Erusipelas. length, cure, by the use of this SARSAPARILL-LA: St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears, and other eruptions or visible forms of Scrofulous disease. Also in the more concealed forms, as Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia, and the various Ulcerous affections of the muscular and persons systems. lar and nervous systems.

Syphilis or Venereal and Mercurial Diseases

Syphilis or Venereal and Mercurial Diseases are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. Leucorrhæa or Whites, Uterine Ulcerations, and Female Diseases, are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute Directions for each case are found in our Almanac, supplied gratis. Rheumatism and Gout, when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also Liver in the blood, yield quickly to it, as also Liver Complaints, Torpidity, Congestion or Inflammation of the Liver, and Jaundice, when arising, as they often do, from the rankling poisons in the blood. This SARSAPARILLA is a great restorer for the strength and vigor of the system. Those who are Languid and Listless, Despondent, Sleepless, and troubled with Nervous Apprehensions or Fears, or any of the affections symptomatic of Weakness, will find immediate relief and convincing evidence of its restorative

power upon trial. PREPARED BY Dr. J. C. AYER & CO., Lowell, Mass. Practical and Analytical Chemists. SOLD BY ALL DRUGGISTS EVERYWHERE H. L. SPENCER,

Iron in the Blood

NATURE'S OWN VITALIZER.

MAKES THE WEAK STRONG

The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood, as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving

nothing for disease to feed upon. This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhaa, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding

reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution. Certificate of A. A. HAYES, M. D., of Boston, Assayer to the State of Massachusetts.

"It is well known that the medicinal effects of Protoxide of Iron are lost by even a very brief ex-Protoxide of Iron are lost by even a very brief exposure to air, and that to maintain a solution of Protoxide of Iron without further oxidation has been deemed impossible. In the PERUVIAN SYRUP this desirable point is attained by COMBINATION IN A WAY BEFORE UNKNOWN; and this solution may replace all the proto-carbonates, citrates, and tartrates of the Materia Medica. It is also eminently adapted to take the place of any Protoxide of Iron which physicians have used in Scurvy, or scorbutic attacks; and, to meet such cases, the Syrup should be found in the medicine-chest of every ship."

From W. R. CHISHOLM, M. D., of New Bedford, Mass. "I have employed the PERUVIAN SYRUP successfully in cases of Dyspersia, Chronic Diarr-HEA, NERVOUS DEBILITY, NEURALGIA, ERYSIPELAS, BOILS, and DISEASES OF THE SKIN; also, CHLOROSIS, LEUCORRHEA, PROLAPSUS UTERI, and in FEMALE LEUCORRHEA, PROLAPSUS UTERI, and in FEMALE COMPLAINTS generally. As an alterative tonic the Syrup ought to be used by clergymen, editors, cashiers, clerks, lawyers, and others who use their brains more than their muscles; as well as operatives, printers, tailors, shoemakers, seamstresses, and all those whose occupation confines them in ill-ventilated and over-heated rooms, who are liable to suffer more or less from nervous debility."

more or less from nervous debility." From the venerable Archdeacon Scott, D. D. DUNHAM, C. E. \* \* \* "I am an inveterate Dyspeptic of more than twenty-five years standing."

\* \* \* "I have been so wonderfully benefitted
in the three short weeks during which I have used the Peruvian Syrup, that I can scarcely persuade myself of the reality.—People who have known me are astonished at the change."

"I am widely known, and can but recommend to others that which has done so much for me."

From a distinguished Jurist. "I have tried the Peruvian Syrup, and the result fully sustains your prediction. It has made a new man of me, infused into my system new vigor and energy; I am no longer tremulous and debilitated, as when you last saw me, but stronger, heartier, and with larger capacity for labor, mental and physical, than at any time during the last five

From the Rev. J. C. Mallory, Pastor of the Baptist Church in Sarona, N. Y. I take great satisfaction in commending the PERUVIAN SYRUP to the notice of Dyspeptics, as being a reliable remed for that dis ressing complaint, while as a general Yourc a think it has no

THE DIAMOND GLASSES Manufactured by . J. E. SPENCER & CO., N. Y.

Which are now offered to the public are pro-nounced by all the celebrated Opticians of the World to be the MOST PERFECT, Natural, artificial help to the human eye ever known. They are ground under their own supervision, from minute Crystal Pebbles, melted together, and derive their name, "Diamond," on account of their hardness and brilliancy. The Scientific Principle on which they are constructed brings the core or centre of the lens directly in front of the eye, producing a clear and distinct vision, as in the natural, healthy sight, and preventing all unpleasant sensations, such as glimmering and wavering of sight, dizziness, &c., peculiar to all others in use. They are Mounted in the Finest Manner, in frames of the best quality, of all materials used for that purpose. Their Finish and Durability

for that purpose.

cannot be surpassed.

CAUTION.—None genuine unless bearing their trade mark <> stamped on every frame.
