With sheaves and fruits, and welcome hold songs, at peace with Heaven, your conscience, and your neighbor. Resign your peaceful heart where it belongs. Rome, November 1, 1871.

Select Tale.

My fortune placed me above the necessity of adopting a profession, but I became, from choice, a student of medicine In Store-A good assortment of Wrapping and it was during the year which I spent in Dublin, while in attendance on public lectures, that the circumstance occurred

which has robbed me of myself. It was my habit to pass much of my time in the hospital, where the effect of different diseases upou the various phases N. B.—The highest price paid for Every Description of Paper Stock, viz:—Cotton and Hemp diverse physical constitutions afforded diverse physical constitutions, afforded! me an interesting subject of speculation I was one day passing through one of the sheltered walks in the garden, when I heard a sweet and plaintive voice singing what appeared to me to be snatches of old ballads. The sounds came from a from the rest of the garden, by a high a single ray of sunshine piercing the deep shade, and resting like a halo upon her bright hair, was a young girl, so fair, so pale, so ethereal in the delicate proportions of her figure, that I almost feared the image was an illusion of fancy. Her large blue eyes were wandering restlessly around while she sung, and ere I had time to retreat I met their full glance. Instead of being alarmed at my intrusion, a sweet smile parted her lips, and raising Capital and Cash Assets, - \$17,000,000 her finger, she beckoned me to approach Deposited at Ottawa, ---- 400,000 "I have waited long, beloved, but you have come at last," she murmured in low seat beside her; then clasping my hand in hers, she fixed her gaze on my face with a look so full of solemn and earnest tenderness that my very soul thrilled beneath it.

I soon found that the fair girl's reason was entirely obscured, and her insanity seemed to me to have assumed the almost hopeless form of imbecility. But her pure and beautiful instincts were as fresh and powerful as if intellect were still their no evil and suspects no guile.
