boy, Tom. Tom was his idol—his hero on every occasion—and never would the old fellow let his hero suffer for want of a mance.

"Ah!" said Bogles one day, as he had to take other means.

"That was too much, to have my own traced: with a presimunny. So the present day to be degrated the youtus of the present day to be degrated the youtus of the present day to be degrated. The shipments of various products from the Dominion of Canada to the United States during the year 1870, foot up \$31,763,243, and increase of \$10,976,462, or close upon fifty per cent. increase over 1869, notwithstant the cause of this evil may be standing the absence of a reciprocity treaty.

The Magistrates of Open's the present day to be degrated to the United States during the year 1870, foot up \$31,763,243, and increase of \$10,976,462, or close upon fifty per cent. increase over 1869, notwithstant the cause of this evil may be standing the absence of a reciprocity treaty.

The Magistrates of Open's the present day to be degrated to the United States during the year 1870, foot up \$31,763,243, and increase of \$10,976,462, or close upon fifty per cent. increase over 1869, notwithstant the cause of the Dominion of Canada to the United States during the pen or yardstick. And it is to particle the product of the Dominion of Canada to the United States during the pen or yardstick. And it is to particle the point of the Dominion of Canada to the United States and the Dominion of Canada to the United States and the Dominion of Canada to the United States and the Dominion of Canada to the United States and th

We have not had an opportunity of reading in extense the speech recently made by Mr. Huntingdon, M. P., at Waterloo, in which he enunciated his views in favor of "Independence" for Canada. We find, however, that among letters received from notable political gentlemen were the following. Thos. Hughes, Ireland, wrote as fol-

"I do not mean for a moment to deny that it is a considerable wrench for an Englishman to accept Canadian independence, but have no doubt at all that what we have to do, in our own interest as well as in yours, is to face the music and make whatever sacrifices and arrangements are necessary to help the Dominion in setting up for herself as an independent nation at the earliest possible time. We can and ought to do this, and the sooner your statesmen and newspaper men make up their minds to do it the better. I am only anxious to further the interests of It seems to be of much importance that the delicate symmetry and cleanliness of both countries, and not the least to do any-7 50 masculine hands should be preserved in thing by way of making political capital for these days; hence, we presume, the rush of for a profession." Time was when a brown, brawny hand was a type of noble manhood, and one of the stern sex possessing a member of delicate dimensions, would be considered work and feminine.

There is a dignity and stimulus about Sir A. T. Galt wrote:—" Mr. Hunting-manual labor which invigorates even the ton and I have differed on many of the orworker, and renders him more capable of enjoying the intellectual treats that may come in his way; and an invention and recourse about it at times which may develope latent talents into some startling and useful discovery; and were young men to the day, without, at any time, ceasing to be friends; but I have now the pleasure of knowing that we are co-workers in the great cause of making Canada more truly and essentially Canadian than it has yet been—a cause which will yet the contract of these subjects which at useful discovery; and were young men to subordinate many of those subjects which at

tion which, in their minds, attaches itself to cation." We will not spoil the joke in the fol-

Courier :-ST. GEORGE ANECDOTE .- The other day as uncle Joe and Swipes were standing at Young's corner, the following dialogue be-tween them was overheard: "What is that was "too well educated" to work at manual man's name who is going down the street with Frank Hibbard?" enquired uncle Joe, who is remarkable for his curiosity as well

twelve o' clock one Sunday, as people were returning from church, a lady dressed in the height of feebien with a manual Court of the returning from church, a lady dressed in the "Yes."

about? I asked who he is. 36 39 and Sutton streets. where the "gentles "What's his name." "Yes. What is his name?"

> "I do. I saw him last night." "Well, what is his name?

"Go to ____ you! If you don't know him why didn't you say so?" " I said I did know him."

The only sign of hearing him that she gave Sentinel; he is in company with Frank was a quickening in pace, as if she was a quickening in pace, as if she was anxious to get away from those diggings as the matter," replied Swipes, edging off towards Charley McGee's.

Lincle Joe muttered semathing in pace, as if she was the matter," replied Swipes, edging off towards Charley McGee's. was walking behind her, and who understood ly about a certain warm climate and made
