heat; time, 2.49. Gen. Knox was dis-stagers, and are fast trotters withal.

3 YEAR OLD COLTS. Purse, \$30. } to first; } to secon Half mile, best 2 in 3. R. C. Spalding, r. m. Fanchion Seward Hill, c. s. Pacolet. SWEEPSTAKES.

to 1st; 1 to second. Mile heats, best from the operation. R. K. Jones, g. s. John Bright.

D. E. Lucy, b. g. Aroostook Boy. Seward Hill, b. g. Black Diamond.

 $-2.51\frac{1}{2}$   $-2.46\frac{1}{2}$ . On the second heat John Bright was distanced, and so ruled out. The first forte. heat was claimed by Atherton, Bright's driver, on the ground of foul driving .-This was the exciting race of the day, on account of the well known speed of the several horses, and of course there was a good deal of local sympathy felt by the friends of the several animals which belong to Calais, Houlton and Woodstock, respectively, although we believe Black Diamond was raised in this County.

The Woodstock Band was on the pavillion during the day, and enlivened the sports by their fine music.

CARLETON COUNTY GRAMMAR SCHOOL. -Dr. Bennet, Chief Superintendent of the Provincial Schools, commenced the annual examination of this school on the 8th June, spending a half day upon it. Upon his return from Victoria County whither he went on an educational tour he, on the 15th June, completed the ex-Trustees, on the latter day, -the various branches taught in the school. The sub-

amination of the drawings of these pupils These examinations were lengthy, careful and searching. Having got through, Dr. Bennet took occasion to address Principal and Students at considerable length. This school, he said, he had always found efficient, but he never held an examination of it without finding something new to commend; and on this occasion he was better pleased than ever before. The pupils in this school had a great and peculiar advantage—the advantage of Mr. McCoy's long and wide experience in teaching, during which he had been enabled himself to adopt and even originate plans and modes of conveying information and of working the problems which lay there to eternity were there not other to commend the problems which lay there to eternity were there not other the protection of the public and of the public and of the public and of the problems which lay there to eternity were there not other the protected, in the constant of had a great and principle.

Sin,—Having lately passed over this important route in which so many are interested and summy are interested and from its being called a Government Road, it may be generally useful to give a passing late the creek, is too small either for convenience or confort;—and, whereas the room adjoining, formerly used by the Clerk of the Peace, has not, since the death of the Peace it and for marriage licences. He believed the law to the Peace the public ences of the Peace than the probability is the three casts no necessity for the County providing an office for the Clerk of the Peace; therefore, Resolved, That, in the opinion of this licence, having one for the whole County, instead of having several men, in different mon adjoining, formerly used by the Clerk of the Peace the law of the Peace is the probability in the peace form t cipal and Students at considerable length. talked for hours he could not give it hightable ones of rather less dimensions, in the bers be appointed to give effect to the terms | Iars has been incurred in providing it, the Sec.

Edgar, Esq., were the Trustees. Thos.

Itable ones of rather less dimensions, in the centre or travelled part of the roadway, that require the utmost skill in driving, and good day light to enable any one not thoroughly acquainted with the locality, to pass over it in safety—I really believe the Government.

Mr. Dibblee suggested to advocate economy, but not that on one hand and unduce extravagance on the other. He was willing to pay a salary to the Sec. Treasurer consistent with the duties he has in safety—I really believe the Government.

Mr. Irvine characterised Mr. Dibblee's to perform, but was not willing to make up will seen have to license pilots for it. Then Edgar, Esq., were the Trustees. Thos. Lynch, to whom the Jacob Medal was awarded, for his Essay on the North West Territory, read his paper. It was lengthy, and very full, complete and exhaustive, and very full, complete and exhaustive, and very full, complete and exhaustive, and very full, complete and well written.

In safety—I really believe the Government will soon have to license pilots for it!—There idea as a new fangled idea. The Council for a deficiency in salary by such indirect means as that proposed. He considered that road, but still within the road allowance, which are said to have been formed by the taking out of material to repair the road—no doubt this is done on the same principle that the proceeds should go to the County was so poor the same principle that the proceeds and well written.

Mr. Irvine characterised Mr. Dibblee's to perform, but was not whining to make up will soon have to license pilots for it!—There idea as a new fangled idea. The Council for a deficiency in salary by such indirect means as that proposed. He considered that a most extraordinary position assumed by Mr. Irvine regarding marriage license fees, that the proceeds should go to the County; that the proceeds should go to the County; that the proceeds should look as if the County was so poor the same form that the proceeds and well written.

well conceived and well written.

In this competition, Charles Collins a party is said to have taken a piece from the vide offices. It was desirable to know for which of the county was so poor that it had to resort to extraordinary means In this competition, Charles Collins and Miss Ella Smith were competitors, and were given second prizes. Their papers were excellent, and only fell short of that which won the first prize. The Parker Medal went to Herbert Dibblee for his bistorical and descriptive account. Parker Medal went to Herbert Dibblee for bis historical and descriptive account of New Brunswick Railways, while Messrs. J. R. Tupper Jr., and J. T. Campbell, got second prizes. It was perfectly wonderful to see what an amount of information, mostly historical, these lads had heaped up with respect to our Railways. William O. Raymond took the Alma Mater Medal for Mathetook the Alma Mater Medal for Mathematics. Rev. Mr. Neales handed the prizes to the competitors, prefacing the delivery in each case with a few appropriate remarks. A striking and gratifying feature of the proceedings, was, the presence of the young girl essayist, whom we have mentioned standing up at the took the Alma Mater Medal for Mathematics. Rev. Mr. Neales handed the prizes to the competitors, prefacing the delivery in each case with a few appropriate remarks. A striking and gratifying feature of the proceedings, was, the presence of the young girl essayist, whom the surrounding brushwood; this should not be so, having been once supplied they should not be hid away. Some of them I could not competition to the many places completely obscured by the was made here—it was, that as the Clerk of the Peace did not occupy the room, the Council should take possession of it. Mr. Dibblee then contended the he had a right to occupy it. It was time the question, as to the Collector of Customs having any right in the office, should be settled; they should know if he is paying rent for it, and to whom. The rent, he thought, should be appointed Clerk of the Peace did not of the Peace, and he would recommend it to the Executive. But the other proposition he was not prepared to accept; it was perfectly unprecedented.

Mr. Irvine had no objection to the appoint of our test, have signed the petition himself; but a petition was no criterion, as people they should know if he is paying rent for it, and to whom. The rent, he thought, should be appointed Clerk of the Peace, and he would recommend it to the Executive. But the Executive. But the Executive. Mr. Irvine had no objection to the appoint of the Peace, and he would recommend it to the Executive. Mr. Irvine had no objection to the appoint of the Peace, and he would recommend it to the Executive. Mr. Irvine had no objection to the appoint of the Executive. Mr. Irvine had no objection to the appoint of the Executive. TELEGRAPHIC NEWS. LONDON, June 29 .- In the House of Lords

night Lord Cranmore moved a resolve that the Queen had been advised to sign the Treaty of Washington, a bargain so unbecoming the honor and dignity of the country. Its conditions, he said, were in conflict with the instructions given, abject and humiliating, and irritated Canada without conciliating America. The Duke of Argyle defended and praised the Treaty. The Earl of Lauderdale said it gave everything to the United States, without securing an equivalent for England. Lord Houghtin was satisfied with the compact, because Estate to me, and the Creditors are notiit would prevent future quarrels. Earl Granville closed the debate with a vigorous defence of the \$25 00 Cranmore was defeated without division. Sir Charles Dilke opened the question of the Ballot.

10 00 He denied that voting by Ballot had proved a failure in the United States. The debate was contition, this 5th day of July. A.D. 1871
