Some nave put their faith in acids, some in alkalies, some in purgatives, others in the lancet, but all have failed because they have overlooked the fact which the Proprietor of the Tonic and Sarsaparillia Elixir recognizes, that the true principles of purifying the blood is to so cleanse out and strengthen the natural emunctories, that the they may properly perform their office of secreting.

I deel fully satisfied, having purchased from the dest Houses in Great Britain, United States and the Dominion, to compete with any establishment in New Brunswick, either in price, quality or assortment, which cannot help but meet the approval of our mechanics. DR. WILSON'S TONIC & SARSAPARILLI-AN ELIXIR has a direct tonic action on the Stomach,—it gives its muscular fibres strength for mixing the food into a thorough pulp, it strengthens its glands to pour out a healthy gastric juice for dissolving the food, it prevents by these means fermentation and acidity of the food, and thus prevents Indigestion and Dyspepsia, or cures them if already present. It purifies all the fluids and secretions in the shortest reasonable time. It heals all internal sores, tubercles, ulcers and inflammation.
