SETH W. FOWLE & SON. Gentlemen:—Several months since a little daughter of mine, ten years of age, was taken with Whooping Cough in a very aggravated form, and nothing we could do for her seemed in any way to relieve her suffering. We at length decided to try a bottle of Dr. Wistar's Balsam of Wild Cherry. In three hours after she had commenced using it, she was greatly relieved, and in less than three days was entirely cured, and is now well. I have since recommended the Balsam to many of my neighbors, who have used it, and in no case have I known it fail of effecting a speedy cure.

You are at liberty to make any use of the above you think proper. If it shall induce anybody to use your Balsam I shall be glad, for I have great confidence in it.

The best evidence we have of the powerful Puriying Tonic and Fruitful properties of RADWAY'S SARSAPARILLIAN RESOLVENT is that it has cured persons who were verging on Imbecility and Insanity through Self-Abuse, with continued drains of the seminal fluid, and were cured by the Resolvent, when prepared under the old process in 1850, who have married and have children now living. A few bottles will restore the vigor of life.

IMPORY OF PURGATION

Liver, Kidneys, Skin, STOMACH & BOWELS.

PERFECT PURGATIVE PILLS,

MATERIA MEDICA contains, in its repertoire, many purgative and cathartic agents bas, for ordinary purposes, opens the bowels, and through what is called a "peristaltic" movement, purge from the alimentar canal the fæces and this is all. Such agents, for the purpose of cure, or removal of any estiled disease, are utterly useless. Dr. Radway has completed one of the most essential discoveries in medical chemistry—in the combination of vegetable substances, for the purposes of a PURGATIVE, APERIANT, COUNTER-IRRITANT, ALTERATIVE PILL, that can be taken or administered with the absolute certainty of securing THOROUGH EXPULSION OF ALL DECAYED AND DECOMPOSING Elements of the human body and also safe to take in the most of the human body, and also safe to take in the most malignant of Eruptive Fevers. As a proof of this—You are seized with a Bilious attrck! Doctor prescribes Blue Pills or Calomel! next, some Drastic Aloetic Pill or Powders to work off the effects of the Blue Pill; this prostrates you, and a tonic is next given, or a gentle aperient, whereas ONE DOSE OF RADWAY'S PILLS will de all the work that the three or more prescriptions are given the work that the three or more prescriptions are given for, without running any risk from mercurializing or salivating the system.

In RADWAY'S PILLS, the true principle of purgation is secured—not alone to the office of dismissing the faces and excrements from the bowels, but those humors that are checked or stopped in their passage through the Skin, Kidneys, Lungs, and all excreting and secreting functions; for if these excrementious secretions belonging to the skin, liver, lungs, kidneys, are interrupted in their escape, they become products of decay and decomposition, and must be purged from the living body through their proper channels; hence the purgative qualities of RADWAY'S PILLS extend to the secretions of the SKIN, KIDNEYS, LIVER, &c.; whereas not one of the advertised Pills claim to act beyond the bowels.
