The Great Blood Purifier AND CERTAIN CURE FOR

Tonic and Sarsaparillia Elixir recognizes, that the true principles of purifying the blood is to so cleanse out and strengthen the natural emunctories, that they may properly perform their office of secreting from the impure blood, as it passes from the glands, the purification particles.

This is the secret of the powerful influence which This is the secret of the powerful influence which the Tonic and Sarsaparilla Elixir exerercises upon the human system without weakening or debilitating it. As it contains no ALCOHOL, it stimulates, yet is not followed by reaction, because although Alcohol is a very good solvent of many medicinal extracts, it is itself injourious in its action. But the Inventor has found from experience, that the pure juices of vegetable extracts can be made ready for use just as they are prepared in nature's own subtile laboratory, without the use of spirituous liquors. The great difficulty of preventing these juices from fomentation, has been overcome in the Tonic and Sarsaparillian Elixir, which is a combin

It purifies all the fluids and secretions in the shortest reasonable time. It heals all internal sores, tubercles, ulcers and inflammation. The TONIC and SARSAPARILLA ELIXIR

exerts a cleansing and strengthening influence on the Liver, thus keeping it prepared for its office of elaborating the bile and taking its materials from the blood, where if left to circulate they would produce hurtful effects on all the internal organs. It at once obviates emaciation, builing up wasted flesh Dr. Wilson's TONIC and SARSAPARILLIAN FLIXIR exerts a like strength giving and cleansing effect on the glands of the intestines, and on the Pearl Drops and Musical Recreations.
