My dear Mrs. Taylor,—

It affords me much pleasure to inform the public of the benefit I have derived from the use of your valuable Ointment. Having suffered from Ealt Rheum for thirty years so that at times I was unable to attend to my duties, and after trying remedies innumerable, I was induced by a friend to try your Ointment, which I did, following the directions, and am perfectly cured. I have recommended it to others, who have tried it with the same effect.
