NATURE'S OWN VITALIZER

The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood, as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and Alexandra, Europe, vitalized blood permeates every part of the body, repairing damages and waste, searching out

morbid secretions, and leaving nothing for disease to feed upon. This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhaa, Boils, Nervous Affections, Chills and Possessing notable testimonials of competency and superior skill, which she has brought with her from first-class West End London Establishments, and Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Con-

> Certificate of A. A. HAYES, M. D., of Boston, Assayer to the State of Massachusetts.

"It is well known that the medicinal effects of Protoxide of Iron are lost by even a very brief ex-posure to air, and that to maintain a solution of Protoxide of Iron without further oxidation has been deemed impossible. In the PERUVIAN SYRUP this desirable point is attained by COMBIN-ATION IN A WAY BEFORE UNKNOWN; and this solu tion may replace all the proto-carbonates, citrates, and tartrates of the Materia Medica. It is also eminently adapted to take the place of any Protoxide of Iron which physicians have used in Scurvy, or scorbutic attacks; and, to meet such cases, the Syrup should be found in the medicine-chest of every ship."

From W. R. CHISHOLM, M. D., of New Bedford, Mass. "I have employed the PERUVIAN SYRUP successfully in cases of Dyspepsia, Chronic Diarrhega, Nervous Debility, Neuralgia, Erysipelas, Boils, and Diseases of the Skin; also, Chlorosis, Leucorrhea, Prolapsus Uteri, and in Female Complaints generally. As an alterative tonic the Syrup ought to be used by clergymen, editors, cashiers, clerks, lawyers, and others who use their brains more than their muscles; as well as operatives, printers tailors shoemakers, seamstresses, and all printers, tailors, shoemakers, seamstresses, and all those whose occupation confines them in ill-ventilated and over-heated rooms, who are liable to suffer more or less from nervous debility."

From the venerable Archdeacon Scott, D. D.

* * * "I am an inveterate Dyspeptic of more than twenty-five years standing."

* * * "I have been so wonderfully benefitted in the three short weeks during which I have used the Peruvian Syrup, that I can scarcely persuade myself of the reality.—People who have known me are astonished at the change."

"I am widely known, and can but recommend to others that which has done so much for me."

From a distinguished Jurist. "I have tried the Peruvian Syrup, and the result fully sustains your prediction. It has made a new man of me, infused into my system new vigor and energy; I am no longer tremulous and debilitated, as when you last saw me, but stronger, heartier, and with larger capacity for labor, mental and physical, than at any time during the last five

Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial. A pamphlet of 32 pages, containing certificates of cures and recommendations from some of the most eminent physicians, clergymen, and others, besides much other valuable and interesting matter, will be sent free to any one sending us their name and See that each bottle has PERUVIAN SYRUP blown in the glass.
