In December 1870 I caught a severe cold, which settled in my limbs. I became extremely weak, lost my appetite, and experienced great difficulty in breathing, and in 4 weeks lost 27 lbs. of flesh. I was confined to my bed, and my friends considered my case hopeless. My only treatment was your Chalybeate with Cod Liver Oil. I recovered rapidly and have enjoyed good health ever since. If it proves as efficacious with others as it did with me, many will yet thank you for giving it to the public. Yours very truly,
