BEECHER'S AUCTION SALE of PEWS. Each year as the time draws near for the annual auction of the pews of Plymouth, Mr. Beecher feels it incumbent on him to off ra few words in vindication of the system .-Yesterday morning after he had announced that the regular sales would go on to-morrow (Tuesday) evening at 7 o'clock, and that there would be no postponement on account of the weather, he continued as follows:

I have no doubt but that we shall now hear the annual wail from England and elsewhere. They are generally much disturbed by this sale; their consciences have been affected by it for years. I have received many letters and have read many affecting articles in relation thereto. In the main the defect of these is that they point out no other way.-If in this country we had the revenues of the whole kingdom-if we had fat bishops, or rather bishoprics-(laughter)-I mean if we had the whole pocket of the nation to put our hands into-we might save ourselves the great importance, he had told her it could scandal of the annual renting of the pews. But unfortunately for us we are a plain peo-"Brother, why this sudden departure? ple, and whatever we do we do from individual

We ask nothing from government; we

preach in our own churches and in the mode we choose; and we are at liberty to choose ing eyes, and seating himself beside her, whatever manner of supporting them that suits us. The churches have generally an 20 60 | "Oh! Egbert why are you so foolish? annual rent for their pews, which, although 19 72 do go and tell her who it was with you. it may not be determined by the bidding at 9 27 I know Laura has mentioned that she an auction, it is founded on great commercial saw you, to Emily, and of course with some additions. Poor Laura! when will she learn not to meddle with other people.

Neverthless, Bert, I cannot lose my sister.

There is the door bell, go out quickly,"

and while Expert goes out at any day. and while Egbert goes out at one door, take his seat at the price he agrees upon. If Emily Sumner enters at another.

After the usual greetings were over this is selling the gospel it is selling it in the sense that the "laborer is worthy of his hire;" selling it as all churches sell it. There are some that think that the gospel is to be preached "without money and without price." It is preached without money and without Emily's cheek was blanched with terror price in a thousand ways, but all experience has shown that you cannot pursue a peculiar business and then preach acceptably, too. If "You should know that: he has just bidden me goodbye for two long years.
"Oh! Nellie, it was my fault. Aunt old "—he must bring his whole force to his "Oh! Nellie, it was my fault. Aunt work, and if he does this he must be sustainy 0 50 not true, tell me, was it?" And she may be by a regular agreement; but whatever it is he is only sustained. I have seen a "Emily, how could you be so foolish. Treat deal of preaching without salaries, and of a hundred it is a very fit arrangement .-Laughter). They ought not to have salaries. 4 00 ling. When she recovered she was lying as we know how to by doing the Lord's work and for the most part they have been contented in this matter; and I submit it to every right-minded man, either at home or in dear old England; if our own people are it was not a stern reality, and that we satisfied whether it is any body else's busiare not sundered forever. Now I must ness. It is not their money, it is our own, me speak so often, arrived on Monday of the gospel ordinances by this people \$757,child, her parents are both dead, and she lieve I shall be within bounds when I say that of this large sum-over half a million "No, Egbert, not alone, she shall live dollars-there has not been one cent of it has failed in the collection. The people have not "Bless you for that, darling, but can promised and then not contributed. I don't you trust me?" he asked, with an arch believe that there is any bank or mercantile concern in New York that has set such an example as this church has, and our contributions have been perfectly voluntary and

AN EDUCATIONAL PROJECT.—The Boston pleasure of which she has so long dream- tion is one of the most important measures yet presented to Congress. It provides that other half invested in a permanent fund of which the income only shall be expended for the same purpose. All States and Territories statistics, the maintainance of schools for all children, and such other terms as Congress may impose. Fifty per cent. of the alotment 'xcept for teachers' wages.
