To the Editor of "The Carleton Sentinel."

DEAR SIR,—I have concluded to respond to the request of many of my friends, in making known to the public generally that I am in possession of a remedy for Dyspepsia, Liver and Kidney Complaints, with which I was troubled twenty-three years. During that time I tried many recommended remedies, and consulted many physicians, without obtaining any relief. I finally obtained from a Canadian Indian, a remedy which has thoroughly cured me—being purely vegetable and possessing no mineral whatever. It is now seven years since I took that medicine, and have not since been troubled with Dyspepsia, Liver or Kidney Complaints.
Yours respectfully,
CHARLES CHERCHILL.
Woodstock, Nov. 15, 1872.

TESTIMONIALS.
MR. CHARLES CHERCHILL, SENR.:
Dear Sir—This may certify that for the last twenty-five years I have been afflicted with Dyspepsia and Kidney Complaint, and during that time I have expended some hundreds of dollars in employing physicians, who have all failed to give me any relief, and generally have given up my case as incurable. About a month ago I commenced taking your remedy for those complaints, and received immediate relief, which no other medicine gave—and I now consider myself cured, and I am happy to tell prepared to recommend your treatment to any person or persons suffering from these Complaints.
Very truly yours,
PETER RYAN.
Houston, Jan. 17th, 1872.

MR. CHERCHILL, James and I have used your Pills and think they help us. I wish you would send by the stage-driver some more of them; like to have some of both kinds.
Yours truly,
W. P. KINNEY.
Woodstock, Nov. 2, 1872.

DEAR SIR,—I have taken all the Pills that you left me for the Kidney Complaint, and they have helped me much. I wish you to send me a lot more, as I have faith in them for the Complaint.
Yours truly,
WILLIAM CRAIG.
Woodstock, Nov. 9, 1872.

MR. CHARLES CHERCHILL, SENR.:
I have taken the medicine you prescribed for Dyspepsia, and it has made a cure of me.

DR. BAXTER'S CHALYBEATE.
An Iron Tonic for the Blood.
The efficacy of this Tonic is seen in its curative power over all forms of Anemia or states of the system, characterized by palor and weakness, a condition which lies at the foundation of a large majority of the ills of life, and is referred to the state of the Blood.
Without Iron the red corpuscles of the blood could not exist nor life be supported. A substance which occupies such a place in the circulating fluid of the body—that fluid which is the source of all nutriment and growth, and the material from which all the secretions, however much they may differ in properties and composition, are derived—cannot be dispensed with. It is as necessary to life as the air we breathe, or the water we drink.
The weak of all classes will find it to be the Tonic they require, and every dyspeptic will receive benefit from its use.
