the surrender of a plain life policy (requiring bition, resolutely putting under his feet annual payments during life), while in force, the obstacles that to many a mind would a proportional fractional part of the policy. For instance, a ten year endowment policy for \$1000, requiring ten payments, becomes, after one payment, a paid up policy for one tenth of its face, or \$100; after two payments, for two tenths, or \$200. The insured under the limited payment policies issued by this company, therefore, gets exactly the amount of insurance he pays for, whether he makes few or many payments."

The ratio of the expenses of this Company in 1871 was but 13,86 per cent. to its income, and in the same year the ratio of its losses to income was but 16.41 per cent. These two facts show how economrespects, this Company shows a much more favorable exhibit than other companies, it follows that this offers the best advantages to members.

> GOVERNOR GORDON AGAIN .- The people Mauritius are fast ripening, under the orcing influences of Governor Gordon's unopularity, for self-government. Sir Arthur ems as persistently pursued by a demon of perversity, as was our late ruler. Everyhing he does is wrong. Everything he says without giving offence to some class or body, or to act without arousing the opposition of ongue, and too hasty in his action. The

Commercial Gazette says:and if the jury thought they could sugges "It is impossible that the present state of things can exist much longer. Sir Arthur fordon has forfeited the confidence of the ouncil, and we doubt if he will long retain hat of Her Majesty's Ministers. The people of Mauritius see in everything he does but one object, and that is, a determination to prove the planters of the colony to be what he thinks they are."

TROUBLE AMONG THE SWINE.—The horse disease, which attacked many of the horses on the 23rd inst. That the said collision was in different parts of Charlotte County, is the result of several causes: First the freight rapidly disappearing, but pigs and hogs are train arrived at the place of collision before not escaping as easily as their equine friends. the time it ought to be there, either from In many places the porcine race has been leaving Westfield before time or from fast subjected to a throat trouble which has proved most destructive to life, few of them living more than fifteen minutes after the attack comes on. The attack though so rapid with a great amount of pain, but a general weakness sets in which develops with a rapiity that baffles all attempts to keep up the itality, and the animal dies from exhaustion soon after. It is probable similar symptoms have appeared in other Counties of the Proince, of which we will have full accounts in York .- ly-32 a few days .- News.

DARING FEAT IN ST. ANDREWS HARBOR -A boy was left on board a schooner in S Andrews harbor on Friday evening, and an alone during the gale of that night. During Saturday forenoon it blew so hard the boa tid not go off. The lad getting tired of his lonesome condition, made a raft, by throwing over a few boards of the deck load, and have a surprising effect in restoring all the ture. This abstract we take from the bravely started to paddle ashere. It was "Every Justice of the Peace shall make to sea to be rather smoother than in the forefor the county, of which he is a Justice, or number of spectators witnessed his periloubrave lad reached the shore in safety, and got a correspondingly hearty welcome.

> TWENTY-TWO THOUSAND POUNDS FOR CEILING.—The statement, fabulous as it looks s true. The Marquis of Westminister has just been furnished by Messrs. Cubitt, builders and contractors, with a ceiling costing £22,000. It consists of the best Spanish malogany, which is two feet in thickness, a foot leep of which is elaborately carved around Both Wholesale & Retail. with the letters W. G. The cornice to the wiling is of polished ebony of the finest description, and is three feet wide. Upon this are magnificent paintings, copied from the great masters.—Court Journal.

IMMIGRATION.—The Ontario Government alty of from \$5 to \$20 for each conviction are displaying considerable enterprise in the committed. That at the close of the term at preparations they are making for inducing which the returns should be made the Clerk of immigrants to locate themselves in that pro the Peace shall hand to the County Treasur- vince. Besides sending a large staff of er a certificate list of the names of all Just agents to different parts of Europe, the folfor each hand, can have emigrants selected in Further provisions are made for staving Europe and sent out. The deposit, with \$10 proceedings upon the Justice complying with given by the Dominion Government, is to pay he Act, for the disposal of penalties recover- passage. The employer will draw \$6 ed, etc. And the last clause restricts the refund to which Ontario emigrants are en operation of the Act to " convictions in mat- titled, and the emigrant will repay him th
