Miscellancous.

THE COMPASS-FLOWER .- In the great prairies of the Far West there grows a little flower called "the compass plant." You have seen a compass, have you not, with its needle always pointing northward?

Like the needle of the compass, the flower of this little plant turns always to the north, never failing to guide the traveller safely home. No matter how thick the clouds may be, if he can find but one

silent, pretty guide? I think so; and I think it very nice that you and I have a

us very surely what way to go. Then, if we go where it guides, our little friendsomehow makes us quite happy; and so, if we go away from where it points, the little flower will droop, and we are sad. Let us take good care of conscience, our compass-flower, my little friends, that it may not be hurt and die, and so we lose our faithful guide that ever points

boat at first goes down the tiny channel —through the playful murmuring of the little brook, and the willows upon its —The first goes down the tiny channel lean, and each of them, to appear before me at a Court of Probate, to be held at my office, in the Town of Woodstock, within and for the County of Carleton, on Saturday the sixth day of April surround us; the stream hurries on, and still our hands are empty. Our course in youth and manhood is along a wider, ing and magnificent. We are animated witness save the Infinite and Eternal.

nected with the cod fish is the frequency D. L. DIBBLEE, with which large stones are found in the Registrar Probates, County of Carleton. -9 stomach. These are of various sizes, sometimes, in a large fish, weighing many fishermen that these are taken in just before a storm for the purpose of anchoring
themselves during the expected swell of
the Sheriff's Office, on Monday, the ninth day
of September next, between the hours of 12
o'clock noon and 5 o'clock in the afternoon:—All the sea. This is supposed to be corroborated by the fact (if it be one) that all the fish taken before a storm agree in this peculiarity, whereas at ordinary times and 14, in the Eastern division of what is called the Wakefeld grant containing six hundred. nothing of the kind can be detected.

entially to listen, is a great gift. No one sheriff's Office, Woodstock, January 8th 1872. can fully appreciate this quality who has not had the misfortune of living with a blundering person, who never moves nor speaks without unintentionally wounding or offending somebody. Contiguity with such an one is fearful to the nerves, and temper too. We doubt whether tact in any considerable degree, can be acquired, It is born with some, and is as natural to them as the color of their eyes or hair. We have seen little children who were perfect in it without the slightest idea, of course, of the diplomacy they were enacting.

God made both tears and laughter, and both for kind purposes; for as laughter enables mirth and surprise to breathe freely, so tears enable sorrow to vent itself patiently. Tears hinder sorrow from becoming despair, and laughter is one of the very privileges of reason.

ting it on too thick. One day his father, after having frequently scolded him for his lavish daubing, and all to no purpose gave him a flagellation. "There, you young rascal," he said, after performing his painful duty, " how do you like that? "Well, I don't know," whined the boy in reply; "But it seems to me that you put it on a thundering sight thicker than

kicked a poor inebriate into the street. "Poor fellow! I see," replied the daughter. "Let me caution you to beware and

not get a drunken husband!" "Who makes the drunkards, father?" The landlord hastily left the, last question was a poser.

wife was brought before Justice Cole, of Albany, lately, and had a good deal to say about "getting justice." "Justice!" replied Cole; "you can't get it here; this court has no power to hang you."

conquests the most glorious.
