ENDURANCE.

Tis bitter to endure the wrong Which evil hands and tongues commit. The shafts of calumny and wit, The scornful bearing of the proud. The sneers and laughter of the crowd

And harder still it is to bear The censure of the good and wise, Who, ignorant of what you are, Or blinded by the slanderer's lies, Look coldly on, or pass you by, In silence with averted eye.

But when the friends in whom you trust, As steadfast as the Mountain rock, Fly, and are scattered like the dust Before misfortune's whirlwind shock, Nor love remains to cheer your fall-This is more terrible than all. But even this and these—aye, more—

The noble spirit still may soar,

Can be endured, and hope survive;

Disease and want may wear the frame-Thank God! the soul is still the same. For soon or late must come relief-White, Red and Orange Yarn is put up in Blue The coldest, darkest night will end

Although the body fail to thrive;

Conscious of purity and worth, You may with calm assurance wait The tardy recompense of earth; And, e'en should justice come too late To soothe the spirits homeward flight, Still Heaven, at last, the wrong shall right.

Select Tale.

BY S. ANNIE FROST. "What is the matter, little woman?" "Only tired, John."

Lina Reynolds looked up as she spoke, to smile bravely into the face bending anxiously over her. "Tired, Lina?" he said, lifting the little figure as he spoke, and taking his wife like a child upon his knee. "What have

you been doing to tire you?" "Only a day's work. Don't worry Reception Room and Suits of Splendidly Fur- WARREN'S BILIOUS BITTERS, John," for a shade passed over the kindly "I don't worry; but I can't see what makes you complain so often of being tired. I am sure the housework ain't so much. Other women do it!"

> There was just a little fretfulness in John's tone, though he did not mean to be unkind. "I know they do. Mrs. Harper has four children, and takes care of them, cause I have not had experience in coun-THE Subscribers, in addition to their New try work, and don't manage well. I will learn better after a while. Now, tell me

what you did in town." "I did quite well. Sold the whole crop of wheat at a good price, and put another installment in the bank for the Stanley farm."

"Your heart is set on that farm, "Indeed it is! Let me once own that, clear of debt, and I shall be a happy man.

Steamers and Cars, for the convenience of passengers Persons wishing a cab for the Steamer or Cars leaving in the morning, should leave their orders at the office, at eithir place, the evening line thought of larger floors to scrub. Lina thought of larger floors to scrub. more rooms to clean, and additional work of all kinds, and swallowed a little sigh that nearly escaped her.

"John," she said rather timidly, "don't you think if you spent part of the money as bewildering. ALSO-Life Assurance Policies issued from the Paper Manufacturing Company on this house we might be very happy "Spend money on this house!" cried

WE are now manufacturing PRINTING the astonished John. "Why, what on earth ails this house?" "I mean in things for it. Now, the parlor looks so stiff, and is always shut up. I was thinking if we had a pretty In Store-A good assortment of Wrapping carpet, and some curtains of white mus-

lin or lace, and a set of nice furniture, and-and-a piano. O John! if1 could have a piano John Reynolds looked at his wife as she had proposed to him to buy up the crown-jewels of Russia.

"A piano! Do you know what a piano "No. Aunt Louise had one, you know, ever since I can remember. But I think if we had a pretty parlor to rest in the evening, I could play for you, and sing. You never heard me play or sing,

"I have heard you sing, but not lately," said John, rather gloomily. "Oh! that was just humming around the house. I mean real singing. I have lots of music in my trunk."

"But you are only a farmer's wife now, Lina. I thought you understood believe it will pay for itself in a year, by not caus- when we were married that you were not to have city finery and pleasures." "So I did, John. I don't want finery. I don't want any pleasure, but your love. John. Don't scowl up your face so.

am silly to think of these things at all.

There, kiss me and forget it. I am nicely rested now, and I'll get your tea in ten John put her down with a very tender kiss, and straightway fell into a revery. Lina Rivers had been a district schoolteacher in Scottfield just four months, when John Reynold offered her his hand and heart. She was an orphan from infancy, but her father's sister had adopted Established 1819. and educated her in a life of luxury, and "HARTFORD," of Hartford, Established 1810. died without altering a will made years Dwelling Houses Insured on specially favorable before, leaving her entire fortune to a charity asylum. Lina, left alone, had

progress; it is certain, at all events that, in he hands of Admiral Hobart, it has been developed to a very great extent, and both in tems Foreign & Local.

ships and men very powerful. Of France and the United States it is hardly necessary One of the lady dancers at the Charity to speak. The French Navy has not materially changed during the last five years; while, Mount Vernon has a woman well calculat- since the great war, the navy of the United States has not been, apparently, an object of ambition to American politicians. It is only two men crawling into her room. One crept on becoming aware of this constant progress wife's memory lingered as she scoured tins, strained milk, and cooked huge dishes tigue.

of the latter, who leaped from the window and zeal necessary in those who are intrusted with the cooked huge dishes tigue. at the man under the bed she ordered him to with its management. It is true that our "scramble out." He did so at once, losing, navy is superior to any other navy in the world, so far as comparison can be made at the present time; but it is not sufficient that it should be only superior to any other navy terday, when Miss Purvis, meeting Wilson -it must be superior to any combination which is practicable. And even in such a comparison we believe our navy will hold its own. But to maintain such a standard allows of no rest, and of no possibility of rest, or of for wharfage in Brooklyn, when the legal hoping to reach any ideal state of perfection. A constant strain is more than ever necessary Mexico contemplates a "World's Fair," to keep pace with the inventions each year

London Exchange.

General Rews.

RIVAL NAVIES .- In regard to Russia it is hardly known, except to a very limited extent, that there are fleets numbering more than three hundred vessels, of which twenty-

four are armored, while the number of seamen is as large as in our own navy. That

large additions are being made in the most

determined though cautious manner, is well known; but to what extent the Government

is silent and impenetrable. One fact is of importance, the Broad Arrow says, that nearly all her fleets has been built at her own

naval yards, and the ordnance, as well as the

fleet, is of home manufacture. In some of

the smaller navies considerable progress has been made. The Netherlands has a fleet of

fifteen iron clads; Italy of twenty-two; Tur-

key of thirteen; while, on the other hand,
