Miscellancous.

EVERY MIND HAS ITS SPECIAL CA-PACITY .- I am of the opinion that every mind that comes into the world has its own specialty—is different from every other mind; that each of you brings into the world a certain bias, a disposition to THE subscriber begs to inform the inhabitants of Brighten and surrounding Country, that attempt something of its own, something he has on hand a good Stock of your own—an aim a little different from that of any of your companions; and that every young woman is a failure so long Which will be sold at Woodstock prices. He as each does not find what is his or her TENT MEDICINES, including own bias; that just so long as you are influenced by those around you, so long as you are are attempting to do those things which you see others do will instead of doing that thing which you do well, you are so far wrong, so far failing of your own right mark. Every body sees the difference in children. They very early discover their tastes. One has a taste DAILY EXPECTED ON CONfor going abroad, another for staying at home; one for books, another for games; one wishes to hear stories, another wants 50 BBLS. FLOUR, direct from Quebec. to see things done; one is fond of drawing, the other cannot draw at all, but can make a machine. This difference, as you advance, becomes more pronounced. You are more distinct in your conception of what you can do-more decided in avoiding things which you cannot and do not wish to do. Now I conceive that success is in finding what it is that you yourself THE undersigned intends keeping constantly on hand for sale, by the bushel and cask, a really want, and pursuing it; freeing first-rate quality of newly burnt LIME. Also yourself from all importunities of your may be found at his store, a fine and varied asfriends to do something which they like, and do that which you like and can do.

AN ERECT POSTURE.—A writer on ealth very justly condemns the habit of lounging, in which large numbers of persons indulge, as injurious to health. He Goods or Lime. says: "An erect bodily attitude is of vastly more importance to health than is generally imagined. Crooked bodily positions, maintained for any length of time, are always injurious, whether in the sitting, standing, or lying posture, whether sleeping or waking. To sit with the body HIS EXCELLENCY THE GOVERNOR GENE. Land and Premises in the said Mortgage, desleaning forward on the stomach, or to one ter of Customs, and under the provisions of but exceedingly detrimental to health.—
It cramps the stomach, presses the vital organs, interrupts the free motion of the chest, and enfeebles the functions of the abdominal and thoracic organs, and, in fact, unbalances the whole muscular system.

Many children become slightly hump-backed, or severely round-shoulder-add by selecting with the head reject on a distance of the street of customs, and under the provisions of the street vital cordinal to the extent of the street vital organs, interrupts the free motion of the chest, and enfeebles the functions of the abdominal and thoracic organs, and, in fact, unbalances the whole muscular system.

Many children become slightly hump-backed, or severely round-shoulder-add by selecting with the head reject on a wind safeth.

Terms of payment made to suit the subscriber. Terms of payment made to suit the subscriber, in the Second Tier, in the Spear Settlement, in the Parish of Richmond in the County of Carleton, containing one hundred and forty acres, more or less—adjoining the property of one Andrew Kerr," with the buildings and improvements thereon—and which was conveyed by said Benjamin P. Griffith to the late John Caldwell, by deed of assignment made 26th June, A. D. 1858, Registered in said Carleton County Record in Book T, on pages 583 and 584. Dated the 25th day of June, A. D. 1872. For further particulars apply to the subscriber.

BANK OF ed, by sleeping with the head raised on a high pillow; when any person finds it easier to sit, or stand, or sleep in a crooked position than in a straight one, such person may be sure his muscular system is badly deranged, and the more careful he is to preserve a straight or an upright position, and get back to nature again, the better."

HOW TO DEAL WITH SCANDAL-MON-GERING SNEAKS.—Sneaks cannot be crushed out of existence. We have to Glasgow, Liverpool, and London, to Halifax tolerate them. They are careful rarely to give us absolute cause of offence. They stab us, and we cannot tell who has stabbed us. What is to be done with them? Let them, as far as possible, be avoided. If you do not feel yourself sufficiently strong to eucounter one in a verbal encounter, without committing yourself, WE have much pleasure in announcing to importers that the following first-class Steamwhen you see him bearing down on you in the street, furn down a bye-lane, or ships of the "Anchor" Line will be dispatched as follows, (unless prevented by unforseen circumstances), viz.: entry, or even pop into a public-; no, don't do that, for if you do, he will report | From Glasgow. frequent public houses at all hours of the day. But do get out of his path. He From London, will do you no good—he may do you harm; is his policy to raise himself by pulling in getting in your way-why, cut him

How to Acquire a Good Memory. -As a general thing we read too much the consequence is that most of the people we meet know something in a superficial way about everything and very
