That the National Life Insurance Company of Cog the United States of America is the most popular company in this country is evinced by the fact that in the first twenty months of its existence it received about 12,000 APPLICATIONS and issued 10,000 POLICIES, a much larger number than was ever issued at the same period of its existence SEWING MACHINE ROOMS by any other life Insurance Company in the

That it is the most secure company is proven by its Capital of \$1,000,000. That it is henestly, correctly, and scientifically managed s guaranteed by the character and skill of its wners and managers, who, in addition to their integrity and ability, are influenced by pecuniary interests. Its rates of premium are as low as is public at large for the very liberal patronage consistent with entire safety. Its plan is entire- bestowed on the late firm of STARRETT & BURTT, by free from any complications gf notes, interest, and would solicit a continuance of the same.
