FOR THE CARLETON SENTINEL. I feel it my duty as assessor and interest as rate-payer, to expose and oppose the most ridiculous misrepresentation that has been made and accepted before a body of literate men since I have noticed municipal matters; viz., in the matter of relieving the Hon. G. W. White of a portion of his county rates "as per SENTINEL of 5th inst." the fact is apparent that he was not sworn or questioned concerning his property; had he been it would have been impossible for a "so opposite to fact" statement to have appeared in your paper without giving (nautically) a wide berth to truth. I will simply give the figures the next council will undoubtedly reconsider the matter. Mr. White is assessed is an indirect censure on the assessors. HENRY T. SCHOLEY Assessor for Wilmot.
