FOR THE CARLETON SENTINEL. A WORD TO FARMERS AND STOCK

RAISERS. On the 8th of May, 1872, Messrs. Garrison & Goodwin bought two milch cows of Mr. Hamilton Emery, Jacksonville, with 5 days old steer calves by their side. These two ton, Kennebec Co., Me., and sold to Alfred Waymouth of that place, who kept the calves well until Fall, when he took them to the County Fair and obtained the first premium. The first of last March, when not

They are a credit to Mr. Emery. This statement shows that the stock of farmers who have the heart to feed their it the calf is taken behind the barn and and pamphlets published by Mr. Howe. expenditure knocked in the head, before the cow is in proper shape to have it taken from her; if there is any poor hay in the barn, it is saved ture are familiar with them. These efto feed in winter to the poor calves that have forts have given us responsible governbeen starved all summer. Farmers, this is ment; have prepared us for and promoted not the way to act if you want to earn a re- union among the Provinces; have enputation as stock raisers. Do away with larged the colonial views both as regards your old cold barns; get a few boards and our rights and our duties whether relating nails and close up the cracks so that the dogs to ourselves or to others. Mr. Howe's ary doors, and feed your stock the grain that later years labors, and his attitude since you are selling for mere nothing, and you confederation, are too familiar to all will not only be paid in your stock, but you newspaper readers to require comment will also be paid in cheese, butter and calves; now. and besides what can be more cheering to it as they pass by. May 29, 1873.
