**ONLY ONE DOLLAR!**  
**10,000 SOLD!**

IT IS SAFE TO SAY that all the inventions  
of the present day have not created more an  
enthusiasm than the London Repeating Watch.  
The idea of making a Watch for the small sum  
of \$1.00 seems an utter impossibility, but it has been  
accomplished and the most perfect time indicator  
produced which the world has ever seen, besides  
that each Watch comprises a Compass and Sun  
Dial, without extra cost. The London Repeating  
Watch is got up in the most elegant style, with a  
handsome case of Gold Metal, which is an exact  
imitation of gold, glass crystal, steel and metallic  
works, and a white enamel dial, and it is of the  
size of an ordinary watch. Each one is warranted  
to denote EXACTLY TIME and to KEEP IT.  
ORDER FOR TWO YEARS. Enclosed in the  
same case is a Sun Dial and a perfectly accurate  
Compass, worth of itself twice the amount charged  
for the whole watch. Every one wants one, every  
boy can now have a Watch for himself. Agents,  
Fellers, &c. make \$10 a day selling them.  
A sample coupon receipt of \$1, or \$5 for \$4. Send  
all sums over \$4, registered, to the Manufacturer,  
The EUREKA MANUFACTURING CO.,

Hartland, Carleton Co., N. B., }  
April 20th, 1873. }  
MR. J. G. EMERY:  
Dear Sir,—Yours of the 25th inst. to hand.  
In answer to your enquiry regarding the working of  
Raymond's Improved Singer Sewing Machine,  
which I bought of you last Summer, I take pleasure  
in stating, for your benefit, as well as for per-  
sons wishing to buy a good article, that the  
Machine has done my work to my entire satisfac-  
tion. I have used it since in my shoe business,  
and it stitches Leather equally as well as Cloth.  
Yours respectfully,  
GORDON E. BOYER.

In April 1872 I purchased from Mr. J. G. Emery  
a Raymond Improved sewing Machine, on which  
I performed a large amount of sewing, much to  
my satisfaction, during the past year, and from  
the fact of having previously used more than a  
dozen others of the same make, I am pre-  
pared to say the Raymond Improved is the best  
Sewing Machine I ever used, and can recommend  
it to all persons wishing to obtain a good Sewing  
Machine.  
**MRS. THOMAS CONNOR.**  
Woodstock, April 21st, 1873.  
MR. J. G. EMERY:  
Dear Sir,—About two years ago I bought a  
Sewing Machine for my family. We used it for a  
few months and it was only a source of annoyance,  
and we almost came to the conclusion that Sewing  
Machines were only a pest and nuisance. Finally  
we traded with you for a Raymond's Improved  
Singer, since which time we have had no bother.  
Yours truly,  
ALEXANDER HENDERSON.  
Woodstock, May 1st, 1873.  
MR. J. G. EMERY:  
Dear Sir,—The Raymond Improved Singer Sewing  
Machine still continues in good working  
order, and has never failed in giving the best of  
satisfaction. Looking at our investment in a pecu-  
niary way, we have gained many times our outlay,  
besides saving many hours of tedious labor. We  
would not, now, think of being without a Sewing  
Machine in our house.  
Yours very truly,  
ELDER JARED TOZIER.  
Richmond, May 4th, 1873.  
MR. J. G. EMERY:  
Dear Sir,—The Raymond Singer Sewing Ma-  
chine, which I bought of you, stitches nicely, and  
we are much pleased with it.  
Yours respectfully,  
HUGH MONTGOMERY.  
In the Spring of 1872 I purchased of Mr. J. G.  
Emery, of this place, a Raymond's Improved  
Family Singer Sewing Machine, which does all  
kinds of work required by a family, and I take  
great pleasure in recommending it to the public.  
J. T. ALLAN.  
Woodstock, May 6th, 1873.  
This is to certify that each of us are now using a  
Raymond Improved Family Singer Sewing Ma-  
chine in our houses, which we bought of Mr. J.  
Emery, Woodstock, N. B., and we take pleasure  
in recommending the above Machine to the public,  
honestly believing it to be first-class Machine,  
and capable of doing a wide range of work. It  
will make nice stitching on either fine or heavy goods.  
It is a beautiful Machine, easily oiled and cleaned,  
and very easy to operate on, and in our case has  
never been in the habit of getting out of use,—like  
a great many Machines—but is always on hand to  
do its work. In fact, we truthfully assert that the  
Raymond Singer is just the Machine required for  
family use, as it is capable of doing light or heavy  
sewing—owing to its peculiar construction and  
perfect mechanical principle—and we predict a  
large sale for this Machine.  
Buy one for your family, and our word for it,  
you will be pleased with your investment.

**DR. BAXTER'S**  
**CHALYBEATE!**  
**An Iron Tonic for the Blood.**

The Imperfect Digestion and Assimilation of Food is the first step in  
the development of Pulmonary Consumption. This is known to the pa-  
tient by the nausea and distress felt after meals—which, combined with  
loss of appetite, failure of strength and flesh, should be enough to cause  
alarm. In this state of constitutional depravity, no substance can effect  
so radical a change as **Pure Cod Liver Oil**, in combination with a Tonic  
such as is found in Dr. Baxter's Chalybeate. Experience has proved it to  
be the most effectual treatment yet offered to the consumptive.  
The testimony of the ablest physicians of the day is corroborative of  
the above, and the proprietor would earnestly entreat those who are  
disposed to Consumption, either acquired or hereditary, to have faith and  
pursue a course of treatment which has done more for them than any  
known remedy. Dr. Baxter's Chalybeate is not a specific for Consumption,  
but in combination with **Cod Liver Oil** it will do more for them  
than all the nostrums of the shops.
